Love and Death in the Outback

A chapter of Love and Death in the American Novel, when delivered as a lecture, so outraged one audience that a listener rose and accused the lecturer of stealing his raincoat. The week before the book was published Robert Bly's magazine The Sixties sent out a flyer identifying Fiedler (among others) as an "old fogey."

Love and Death in the American Novel, by Leslie Fiedler . . .

By a hideous irony, encapsulating the marriage between love and death in the most literal way, the Bauers' country mansion, Panenske-Brezany outside Prague, would, during the second world war when both Klint and Adele were long dead, and Ferdinand Bauer had fled for his life into exile, become the home of Holocaust architect Reinhard Heydrich, Adolf Hitler's "blonde god of death" and the most murderous of the Nazi leaders.

Love and death in Vienna | Nigel Jones | The Critic Magazine SPOILERS AHEAD! BE WARNED![...]She is become stone,' he says in slow, clotted Loamsprach. 'She loved me.[...] Now, we shall be stone together. The working is almost finished. She cannot be flesh again.' You stare at the statue. A pair of frightened green eyes stare back at you. Synopsis Vivid and captivating, A Race with Love and Death charts the story of Richard Seaman, one of the biggest stars of motor racing's golden age, who inspired the post-war generation of British drivers. A riveting story of speed, love and tragedy, set amidst the rising tensions of 1930s Europe.

A Race with Love and Death by Richard Williams | Waterstones Hailed as Newby's 'masterpiece', 'Love and War in the Apennines' is the gripping real-life story of Newby's imprisonment and escape from an Italian prison camp during World War II. After the Italian Armistice of 1943, Eric Newby escaped from the prison camp in which he'd been held for a year.

On February 4, 2008, Forrest Church sent a letter to the members of his congregation, informing them that he had terminal cancer but promising to sum up his thoughts on the topics that had been so pervasive in his work-love and death. The goal of life, Church tells us, "is to live in such a way that our lives will prove worth dying for." This moving book is imbued with ideas and exemplars for achieving that goal.

Not since THE BOOK THEIF has the character of Death played such an original and affecting part in a book for young people. Flora and Henry were born a few blocks from each other, innocent of the forces that might keep a white boy and an African American girl apart; years later they meet again and their mutual love of music sparks an even more powerful connection. But what Flora and Henry don't know is that they are pawns in a game played by the eternal adversaries Love and Death, here brilliantly reimagined as two extremely sympathetic and fascinating characters. Can their hearts and their wills overcome not only their earthly circumstances, but forces that have battled throughout history? In the rainy Seattle of the 1920's, romance blooms among the jazz clubs, the mansions of the wealthy, and the shanty towns of the poor. But what is more powerful: love? Or death?

EXPLORING THE FASCINATING POSSIBILITIES THAT AN AWARENESS OF DEATH CAN OFFER Death is the inevitable fate of every single person on earth. How do we accept the inevitability of our death? How do we live our lives with meaning? Will money lead us to happiness? Satish Modi examines these questions in a moving, powerful, thought-provoking work based on his reflections and the experiences of people from all walks of life. The result is a fascinating book that teaches us that whoever we are and whatever our aspirations in this life, it is essential for every one of us to accept our own passing. In doing so, we can discover the secret to unbridled inner happiness, guided by the principles of goodness, love and compassion.

A reserved British intellectual falls obsessively in love with a young American heartthrob, in this witty and poignant "tour de force" (Literary Review). When he wanders into the wrong theater and finds himself watching the wretched teen-pic Hoppants College II, cerebral British author Giles De'Ath becomes romantically obsessed with dreamboat Ronnie Bostock. Giles's infatuation drives him to the unthinkable: he reads American fan magazines and watches movies with titles like Tex Mex and Skid Marks. And finally, he travels to Long Island, intent on meeting Ronnie in the flesh. The basis for the hit independent film starring Jason Priestley and John Hurt, Love and Death on Long Island is a brilliant and heartrending update of Thomas Mann's early twentieth-century novella Death in Venice. It offers both a poignant meditation on passion, and "a very funny portrait of an extraordinarily unworldly academic's introduction to the dizzyingly incomprehensible realm of popular culture" (Nick Hornby). "Brief, pure, intense . . . The writing is masterly, the conjuring of contrasting worlds a triumph." --The Financial Times

A collection of linked short stories, Love and Death weaves together the lives of several characters around the themes of--you guessed it--love and death. Focusing on moments that define entire lives, for good or ill, it shows us humanity at its best and at its worst. Each page holds a vivid reminder that real life is interesting and magical, if occasionally tragic. From a poor prostitute to a reformed father to a rich teenager, all the characters' fates are connected--if often without their knowledge.

In 1920's England, a young woman searches for the truth behind her uncle's mysterious death in a town haunted by a restless ghost... Oxford student Jillian Leigh works day and night to keep up with her studies--so to leave at the beginning of the term is next to impossible. But after her uncle Toby, a renowned ghost hunter, is killed in a fall off a cliff, she must drive to the seaside village of Rothwell to pack up his belongings. Almost immediately, unsettling incidents--a book left in a cold stove, a gate swinging open on its own--escalate into terrifying events that convince Jillian an angry spirit is trying to enter the house. Is it Walking John, the two-hundred-year-old ghost who haunts Blood Moon Bay? And who beside the ghost is roaming the local woods at night? If Toby uncovered something sinister, was his death no accident? The arrival of handsome Scotland Yard inspector Drew Merriken, a former RAF pilot with mysteries of his own, leaves Jillian with more questions than answers--and with the added complication of a powerful, mutual attraction. Even as she suspects someone will do anything to hide the truth, she begins to discover spine-chilling secrets that lie deep within Rothwell...and at the very heart of who she is.

A stunning and groundbreaking investigation into the death of one of the great rock icons of our times -- revealing new evidence that points to a terrible conclusion. On Friday, April 8, 1994, a body was discovered in a room above a garage in Seattle. For the attending authorities, it was an open-and-shut case of suicide. What no one knew then, however, and which is only being revealed here for the very first time, is that the person found dead that day -- Kurt Cobain, the superstar frontman of Nirvana -- was murdered. In early April 1994, Cobain went missing for days, or so it seemed; in fact, some people knew where he was, and one of them was Courtney Love. Now a star in Hollywood and rock music, in early 1994 she was preparing to release her major label debut with her band, Hole, and what she knew then, though few others did, was that Cobain was planning to divorce her. Love & Death paints a critical portrait of Courtney Love: it also reveals for the first time the case tapes made by Love's own P.I., Tom Grant, a man on a mission to find the truth about Kurt Cobain's demise; and introduces us to a number of characters who feature in various theories about plots to kill Cobain. In addition, Cobain's grandfather goes public, charging that his grandson was murdered. Drawing on new forensic evidence and police reports obtained under the Freedom of Information Act, the book explodes the myths that have long convinced the world that Cobain took his own life, and reveals that the official scenario was scientifically impossible. Against a background of at least sixty-eight copycat suicides since 1994, award-winning investigative journalists Max Wallace and Ian Halperin have conducted a ten-year crusade for the truth, and in Love & Death they are finally able to present a chilling and convincing case that each and every one of these suicides was preventable -- and in doing so, they call for this case to be reopened and properly investigated.

For those contemplating religious choices, Unitarian Universalism offers an appealing alternative to religious denominations that stress theological creeds over individual conviction and belief. In this new edition of the classic introductory text on Unitarian Universalism, which includes a revealing, entertaining foreword by best-selling author Robert Fulghum (All I Really Need to Know I Learned in Kindergarten, It Was on Fire When I Lay Down on It), a new preface by UU moderator Denise Davidoff, and two new chapters by the authors, John Buehrens and Forrest Church explore the many sources of the living tradition of their chosen faith.

2020 J. ANTHONY LUKAS PRIZE WINNER From the bestselling author of There Are No Children Here, a richly textured, heartrending portrait of love and death in Chicago's most turbulent neighborhoods. The numbers are staggering: over the past twenty years in Chicago, 14,033 people have been killed and another roughly 60,000 wounded by gunfire. What does that do to the spirit of individuals and community? Drawing on his decades of experience, Alex Kotlowitz set out to chronicle one summer in the city, writing about individuals who have emerged from the violence and whose stories capture the capacity--and the breaking point--of the human heart and soul. The result is a spellbinding collection of deeply intimate profiles that upend what we think we know about gun violence in America. Among others, we meet a man who as a teenager killed a rival gang member and twenty years later is still trying to come to terms with what he's done; a devoted school social worker struggling with her favorite student, who refuses to give evidence in the shooting death of his best friend; the witness to a wrongful police shooting who can't shake what he has seen; and an aging former gang leader who builds a place of refuge for himself and his friends. Applying the close-up, empathic reporting that made There Are No Children Here a modern classic, Kotlowitz offers a piercingly honest portrait of a city in turmoil. These sketches of those left standing will get into your bones. This one summer will stay with you.
