The Police Misconduct Complaint Investigations Manual provides a timely and unique, step-by-step approach to conducting or reviewing police misconduct investigations, whether a complaint involves a lower level allegation of discourtesy or more serious concerns such as excessive force or criminal behavior. Utilizing real-life examples and updated case law to illustrate points, it provides best practices for investigating police action resulting in misconduct

Read Book Malfeasance

Police Series Book 3

complaints. The Manual's comprehensive approach includes detailed procedures and policy considerations from intake through case closure, and discusses data tracking, reporting on trends, selecting and training investigative staff, civilian oversight, and a host of special issues that can arise with police misconduct complaints. The Manual is suitable for both sworn personnel and civilians handling or reviewing investigations and whether working internally for a police department or externally in oversight or another capacity. The guidance provides detailed

Police Series Book 3

examples of witness interview questions and types of evidence to collect, with discussion on making difficult credibility determinations and approaches to analyzing the information gathered to arrive at a recommended finding. Review questions are found at the end of most chapters, for use in academic or investigative training environments. Police officers engaged in the often complex and challenging work of public safety deserve and expect objective, thorough, and timely handling of complaints. Complainants and other stakeholders seek

accountability and transparency when an officer behaves in a way that raises questions about their professionalism. The Complaint Investigations Manual provides instruction on handling misconduct complaints in a manner that will ensure the goals of law enforcement and stakeholders are met. The authors intentionally use a broad approach to make the Manual relevant and easy to use by law enforcement personnel, civilians in oversight or other capacities who work on police misconduct matters, and the criminal justice academic community. It is a critical primer for internal

affairs investigators, police managers, law enforcement leaders, auditing professionals, civilian oversight practitioners, government representatives, community advocates, criminal and social justice students, and all others in pursuit of fair, thorough, and timely investigations of police misconduct complaints.

Drugs, bribes, falsifying evidence, unjustified force and kickbacks: there are many opportunities for cops to act like criminals. *Jammed Up* is the definitive study of the nature and causes of police misconduct.

Read Book Malfeasance Police Series Book 3

While police departments are notoriously protective of their own—especially personnel and disciplinary information—Michael White and Robert Kane gained unprecedented, complete access to the confidential files of NYPD officers who committed serious offenses, examining the cases of more than 1,500 NYPD officers over a twenty year period that includes a fairly complete cycle of scandal and reform, in the largest, most visible police department in the United States. They explore both the factors that predict officer misconduct, and the police department's

Read Book Malfeasance

Police Series Book 3

responses to that misconduct, providing a comprehensive framework for understanding the issues. The conclusions they draw are important not just for what they can tell us about the NYPD but for how we are to understand the very nature of police misconduct.

ACTUAL MISCONDUCT CASES »»

An off-duty officer driving his private vehicle stops at a convenience store on Long Island, after having just worked a 10 hour shift in Brooklyn, to steal a six pack of beer at gun point. Is this police misconduct?

»» A police officer is disciplined no less than six times in three years for

Read Book Malfeasance Police Series Book 3

failing to comply with administrative standards and is finally dismissed from employment for losing his NYPD shield (badge). Is this police misconduct? »» An officer was fired for abusing his sick time, but then further investigation showed that the officer was found not guilty in a criminal trial during which he was accused of using his position as a police officer to protect drug and prostitution enterprises. Which is the example of police misconduct?

What do you get when you mix two dead bodies, millions in missing money, and a

Police Series Book 3

dangerous idiot wearing a hammer he's named Thor? The answer: murder, malfeasance, and mayhem. When the head of Nick Rohmer's Miami accounting firm is found dead after a suspicious accident, Nick finds his quiet, boring life slipping out of his control. With the firm's management either on vacation, sick, or dead, Nick is thrust into the unfamiliar position of actually having some responsibility. The weight lies heavy on his shoulders, and things only get worse when Keene Construction, the firm's largest client, threatens to jump ship. Nick's fiancée convinces him

Read Book Malfeasance Police Series Book 3

that this is his opportunity to finally get ahead.

Against his better judgement, he finagles an invitation to dinner on the private island of the mega-wealthy Keenes, a family that has raised dysfunction to an art. Things quickly go from bad to disastrous when another dead body shows up, this one apparently strangled with Nick's necktie. Nick's focus quickly changes from trying to save the business to trying to save his skin as he deals with a mental hospital escapee, a gun-toting CEO, and a former exotic dancer named Lottie Mellons. Follow Nick as he

Police Series Book 3

This book examines a major twenty-first century issue: police misconduct—as it pertains to police management, operations, personnel, and the reputation and character of a police department within the community it serves. It considers the ramifications of inappropriate police behavior, and its far-reaching effects upon the individual police officer, the community, and the nation. The book is divided into four sections: An Introduction to Police Misconduct; Crimes Committed by Police Officers; Physical Abuse by Police Officers;

Read Book Malfeasance Police Series Book 3

and Police Accountability. It further explores legal issues, police brutality, deadly force, high speed pursuits; police officer selection; and various techniques and strategies to help control police misconduct. For individuals interested in protecting and defending our society—through a civil service career of their civilian concern.

investigations of police misconduct complaints.

Police brutality and misconduct have been under the microscope for the last several years. Loretta Prater confronts the far-reaching consequences of police brutality through the personal case of her son, numerous examples of other cases, and a review of related research.

This book explores the different types of police misconduct including the use of excessive force. It also explores what types of

Read Book Malfeasance

Police Series Book 3

officers become involved in illegal misconduct, steps jurisdictions may take to prevent such problems, and discusses who should police the police. Also included is a historical analysis of police misconduct, discussions on the legal restrictions designed to prevent police misconduct, and steps that the jurisdiction may take to limit their liability. Ancillary material is available with course adoption.

This Brief proposes a criminological typology for understanding and addressing police misconduct. Through

Read Book Malfeasance Police Series Book 3

examination of each major type of police misconduct, the author proposes future research directions to deter and prevent misconduct.

According to an examination of 50 years of police misconduct cases within the New York Police Department (NYPD) and Los Angeles Police Department (LAPD), the author proposes 5 major typologies: police corruption, police criminality, excessive use of force, abuse of authority, and police misconduct. Through a systematic examination of each of these five types, the author aims to break down the nebulous topic of

Read Book Malfeasance

Police Series Book 3

police misbehavior into manageable categories, with their own set of causes, and recommendations for detection and prevention. This work will be of interest for researchers in criminology and criminal justice, particularly with an interest in police studies, and related fields such as public policy and sociology. It will also be of interest for policymakers.
