Man's Search for Meaning is a 1946 book by Viktor Frankl
chronicling his experiences as a prisoner in Nazi concentration
camps during World War II, and describing his psychotherapeutic
method, which involved identifying a purpose in life to feel positive
about, and then immersively imagining that outcome. According to
Frankl, the way a prisoner imagined the future affected his
longevity. The book intends to answer the question "How was
everyday life in a concentration camp reflected in the mind

MAN'S SEARCH FOR MEANING BY VIKTOR FRANKL - YouTube

Celebrated Austrian psychiatrist and Holocaust survivor Viktor Frankl (March 26, 1905 – September 2, 1997) remains best-known for his indispensable 1946 psychological memoir Man ' s Search for Meaning (public library) — a meditation on what the gruesome experience of Auschwitz taught him about the primary purpose of life: the quest for meaning, which sustained those who survived.

A book for finding purpose and strength in times of great despair, the international best-seller is still just as relevant today as when it was first published. “ This is a book I reread a lot . . . it gives me hope . . . it gives me a sense of strength. ” —Anderson Cooper, Anderson Cooper 360/CNN This seminal book, which has been called “ one of the outstanding contributions to psychological thought ” by Carl Rogers and “ one of the great books of our time ” by Harold Kushner, has been translated into more than fifty languages and sold over sixteen million copies. “ An enduring work of survival literature, ” according to the New York Times, Viktor

Frankl ' s riveting account of his time in the Nazi concentration camps, and his insightful exploration of the human will to find meaning in spite of the worst adversity, has offered solace and guidance to generations of readers since it was first published in 1946. At the heart of Frankl ' s theory of logotherapy (from the Greek word for " meaning ") is a conviction that the primary human drive is not pleasure, as Freud maintained, but rather the discovery and pursuit of what the individual finds meaningful. Today, as new generations face new challenges and an ever more complex and uncertain world, Frankl ' s classic work continues to inspire us all to find significance in the very act of living, in spite of all obstacles. This gift edition come with endpapers, supplementary photographs, and several of Frankl ' s previously unpublished letters, speeches, and essays. This book was published with two different covers. Customers will be shipped one of the two at random.

Viktor Frankl, bestselling author of *Man's Search for Meaning*, explains the psychological tools that enabled him to survive the Holocaust. Viktor Frankl is known to millions as the author of *Man's Search for Meaning*, his harrowing Holocaust memoir. In this book, he goes more deeply into the ways of thinking that enabled him to survive imprisonment in a concentration camp and to find meaning in life in spite of all the odds. He expands upon his groundbreaking ideas and searches for answers about life, death, faith and suffering. Believing that there is much more to our existence than meets the eye, he says: 'No one will be able to make us believe that man is a sublimated animal once we can show that within him there is a repressed angel.' In *Man's Search for Ultimate Meaning*, Frankl explores our sometimes unconscious desire for inspiration or revelation. He explains how we can create meaning for ourselves and, ultimately, he reveals how life has more to offer us than we could ever imagine.

From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. *The Daily Stoic* offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

Psychiatrist Viktor Frankl's memoir has riveted generations of readers with its descriptions of life in Nazi death camps and its lessons for spiritual survival. Between 1942 and 1945 Frankl labored in four different camps, including Auschwitz, while his parents, brother, and pregnant wife perished. Based on his own experience and the experiences of others he treated later in his practice, Frankl argues that we cannot avoid suffering but we can choose how to cope with it, find meaning in it, and move forward with renewed purpose. Frankl's theory—known as logotherapy, from the Greek word *logos* ("meaning")—holds that our primary drive in life is not pleasure, as Freud maintained, but the discovery and pursuit of what we personally find meaningful. At the time of Frankl's death in 1997, *Man's Search for Meaning* had sold more than 10 million copies in twenty-four languages. A 1991 reader survey for the Library of Congress that asked readers to name a "book that made a

difference in your life" found Man's Search for Meaning among the ten most influential books in America.

Man's Search for Meaning has riveted generations of readers with its descriptions of life in Nazi death camps and its lessons for spiritual survival. Between 1942 and 1945 psychiatrist Viktor Frankl labored in four different camps, including Auschwitz, while his parents, brother, and pregnant wife perished. Based on his own experience and the stories of his many patients, Frankl argues that we cannot avoid suffering but we can choose how to cope with it, find meaning in it, and move forward with renewed purpose.

Frankl's theory—known as logotherapy, from the Greek word logos ("meaning")—holds that our primary drive in life is not pleasure, as Freud maintained, but the discovery and pursuit of what we personally find meaningful. "What man actually needs," Frankl writes, "is not a tensionless state but rather the striving and struggling for a worthwhile goal, a freely chosen task . . . the call of a potential meaning waiting to be fulfilled by him." In the decades since its first publication in 1959, Man's Search for Meaning has become a classic, with more than twelve million copies in print around the world. A 1991 Library of Congress survey that asked readers to name a "book that made a difference in your life" found Man's Search for Meaning among the ten most influential books in America. At once a memoir, a meditation, a treatise, and a history, it continues to inspire us all to find significance in the very act of living. "One of the great books of our time." – Harold S. Kushner, author of *When Bad Things Happen to Good People* "One of the outstanding contributions to psychological thought in the last fifty years." – Carl R. Rogers (1959) "One of the ten most influential books in America." —Library of Congress/Book-of-the-Month Club Survey of Lifetime Readers Born in Vienna in 1905, Viktor E. Frankl earned an M.D. and a Ph.D. from the University of Vienna. He published more than thirty books on theoretical and clinical psychology and served as a visiting professor and lecturer at

Harvard, Stanford, and elsewhere. In 1977 a fellow survivor, Joseph Fabry, founded the Viktor Frankl Institute of Logotherapy. Frankl died in 1997. Harold S. Kushner is rabbi emeritus at Temple Israel in Natick, Massachusetts, and the author of several best-selling books, including *When Bad Things Happen to Good People*, *Living a Life That Matters*, and *When All You've Ever Wanted Isn't Enough*. William J. Winslade is a philosopher, lawyer, and psychoanalyst who teaches at the University of Texas Medical Branch in Galveston and the University of Houston Law Center.

A young adult edition of the best-selling classic about the Holocaust and finding meaning in suffering, with a photo insert, a glossary of terms, a chronology of Frankl's life, and supplementary letters and speeches Viktor E. Frankl's *Man's Search for Meaning* is a classic work of Holocaust literature that has riveted generations of readers. Like Anne Frank's *Diary of a Young Girl* and Elie Wiesel's *Night*, Frankl's masterpiece is a timeless examination of life in the Nazi death camps. At the same time, Frankl's universal lessons for coping with suffering and finding one's purpose in life offer an unforgettable message for readers seeking solace and guidance. This young adult edition features the entirety of Frankl's Holocaust memoir and an abridged version of his writing on psychology, supplemented with photographs, a map of the concentration camps, a glossary of terms, a selection of Frankl's letters and speeches, and a timeline of his life and of important events in the Holocaust. These supplementary materials vividly bring Frankl's story to life, serving as valuable teaching and learning tools. A foreword by renowned novelist John Boyne provides a stirring testament to the lasting power of Frankl's moral vision.

Over 16 million copies sold worldwide 'Every human being should read this book' Simon Sinek One of the outstanding classics to emerge from the Holocaust, *Man's Search for Meaning* is Viktor

Frankl's story of his struggle for survival in Auschwitz and other Nazi concentration camps. Today, this remarkable tribute to hope offers us an avenue to finding greater meaning and purpose in our own lives.

A prominent Viennese psychiatrist recounts his experiences in a Nazi concentration camp that led to the development of his existentialist approach to psychotherapy

A prominent Viennese psychiatrist before the war, Viktor Frankl was uniquely able to observe the way that he and other inmates coped with the experience of being in Auschwitz. He noticed that it was the men who comforted others and who gave away their last piece of bread who survived the longest - and who offered proof that everything can be taken away from us except the ability to choose our attitude in any given set of circumstances. The sort of person the prisoner became was the result of an inner decision and not of camp influences alone. Only those who allowed their inner hold on their moral and spiritual selves to subside eventually fell victim to the camp's degenerating influence - while those who made a victory of those experiences turned them into an inner triumph. Frankl came to believe that man's deepest desire is to search for meaning and purpose. This outstanding work offers us all a way to transcend suffering and find significance in the art of living.
