other Carle books, but what we loved most about it was the intermittent clear pages that cover and hide other fish. Children will love the discoveries they find underneath.

Mister Seahorse by Eric Carle - Goodreads
Mr. seahorse releases the babies but when one of them tries to return to him he tells the baby it can't come back. I am going to change the ending when I read it. My question is why did Eric Carle end the story on such a unnurturing note? Tough love is hard to understand for a young child.

Mister Seahorse is yet another example of this. After learning that many fish fathers take care of the eggs until they hatch, we created seahorses inspired by Eric Carle's artwork. First, we used transparencies and a green permanent marker to draw our seaweed. I told them to draw 4 to 5 "stems."
