Biochemistry and Molecular Biology - kau

However, we should not be embarrassed to call this book a classic. It was revolutionary when it was first introduced and through its several iterations has evolved into one of the most

Access Free

Molecular

important texts in cell

biology. However, just

as Coke has Pepsi,

Molecular Biology of

the Cell (MBoC) has

Molecular Cell Biology

(MCB). This presents an

embarrassment of riches

when considering text

adoption and also

probably provides the

competition to keep

both these grand books

at the top of their efforts
