My Friend Has Down
Syndrome

"My Friend has Down
syndrome" was an
excellent book! This
book is about two
young girls who meet

each other at a summer camp. The two girls become very good friends. One of the two girls has down syndrome and the two learn that even tho one has down syndrome it will not get in the way of their friendship.

Disappointing. The
book claims to be
sensitively written,
but isn't. It mostly
explains the fears of a
group of "summer

told that a girl with
Down Syndrome is
going to join them.
