Midoriya inherits the superpower of the world’s greatest hero, but greatness won’t come easy. What would the world be like if 80 percent of the population manifested superpowers called “Quirks”? Heroes and villains would be battling it out everywhere! Being a hero would mean learning to use your power, but where would you go to study? The Hero Academy of course! But what would you do if you were one of the 20 percent who were born Quirkless? The Hassaikai crime gang, led by the young boss Chisaki, has been working on a plan to distribute a Quirk-destroying drug. The key to this evil scheme is the young girl Eri, held prisoner in Chisaki’s hideout. Nighteye asks other heroes to form a team to launch a rescue attempt—and the students of Class 1-A are going into the lion’s den with them! But Nighteye, who can see the future, refuses to look at the fates of anyone going on the mission...

The League of Villains has kidnapped Bakugo, and the resulting negative publicity has thrown U.A. into a huge uproar. With the public’s trust in heroes threatened, the faculty convenes to figure out what to do. But Midoriya and the students of Class 1-A have plans of their own—an operation to rescue Bakugo that could get them thrown out of school! -- VIZ Media

Pop has emerged as the new Queen Bee, her transformation forced upon her by the villainous Nomura, a.k.a. Number 6. At his direction, Pop begins to rain destruction down on Naruhata. With a villain on the loose, it’s only natural for heroes to be called in to deal with the situation, but Koichi knows his friend’s life and soul are at stake. Will inspiration from his old master and training with past foes help him find the hero within? -- VIZ Media

Bakugo’s abduction by the League of Villains was a carefully calculated move designed to draw out the heroes—All Might in particular—and destroy them. Midoriya and his friends set out on a rescue mission that eventually pulls in not only All Might but also several other heroes! The casualties mount, until at last the mastermind of the plot appears—All for One, the only villain powerful enough to take on All Might head-to-head and possibly win! -- VIZ Media

Midoriya inherits the superpower of the world’s greatest hero, but greatness won’t come easy. What would the world be like if 80 percent of the population manifested superpowers called “Quirks”? Heroes and villains would be battling it out everywhere! Being a hero would mean learning to use your power, but where would you go to study? The Hero Academy of course! But what would you do if you were one of the 20 percent who were born Quirkless? Midoriya has learned a few tricks from Gran Torino, but some things just have to be experienced to be understood. Even though he’s not ready, when the League of Villains attacks in the town of Hosu, Midoriya rushes to help Ida, who is engaged in a life-and-death struggle with Hero Killer Stain. Stain has some very particular ideas about heroes and their place in society—and he means to purge every hero he can find!

It’s off to summer camp for Midoriya and the U.A. students! But this is no ordinary vacation—it’s high-impact training where the students are expected to develop their Quirks even further! The teachers have set up some tough challenges, but none will be as difficult and as life changing as the threat a new group of enemies poses. What’s even worse is who the villains’ target is and why... -- VIZ Media

Getting into U.A. High School was difficult enough, but it was only the beginning of Midoriya’s long road toward becoming a superhero. The new students all have amazing powers, and although Midoriya has inherited All Might’s abilities, he can barely control them. What’s more, the first-year students are told they will have to compete just to avoid being expelled! -- VIZ Media

The U.A. students have reached the practical portion of their final exam, but they didn’t expect to have to beat their own teachers in order to pass! Paired with his archrival Bakugo, Midoriya has to try to take on none other than All Might himself. Working with Bakugo is one thing, but is giving everything he’s got to beat All Might more than Midoriya can handle? And in a nearby arena, Yaoyorozu and Todoroki endure a similar struggle. Meanwhile, a sinister new adversary prepares to make a move... -- VIZ Media

This volume of the My Hero Academia parody series treats hero education like a joke! First, the aspiring heroes of U.A. High enjoy fun in the sun on their summer break. Then, exams are replaced by silly student vs. teacher games assigned at random! Plus Izuku and company in Halloween costumes and as animals! What are we teaching these kids?! -- VIZ Media

Midoriya inherits the superpower of the world’s greatest hero, but greatness won’t come easy. What would the world be like if 80 percent of the population manifested superpowers called “Quirks”? Heroes and villains would be battling it out everywhere! Being a hero would mean learning to use your power, but where would you go to study? The Hero Academy of course! But what would you do if you were one of the 20 percent who were born Quirkless? Hawks and the Safety Commission have managed to get their hands on some top secret information. A big villain attack is coming, and the heroes must do all they can to prepare. As part of these preparations, Eraser Head and Present Mic pay a visit to the prison, while Midoriya, Bakugo and Todoroki begin training under Endeavor in order to become fighters who can stand on their own. But in the meantime, the boys will have to survive a dinner party at the Todoroki household!
