My Mother is a liar was created by Shelby. Hey everyone. My mother is a compulsive or pathological liar. I am 33 years old and have been dealing with this behavior all of my life. It was easier to overlook when I was younger, because I wasn't a target of her lies. However since I've grown and started a family of my own, she not only lies, she constantly lies about me.

My Mother is a liar - Message Boards - Truth About Deception

My mother is a liar. I catch her in lies all the time. I do not tell her i know she is lying cause she will start yelling and tearing things down. Sometimes I wonder if she has a mental issue as she is always throwing daggers out of her tongue at me when other family members come around she acts all nice and makes me look like the one with the ...

My Mother, The Liar on Apple Books

My oldest son use to tell my mother that she is a narcissistic person he lived with her for a few years starting when he was almost 17 for some reason he decided I was too strick which I'm sure that was my mothers idea even as early as I can remember my feelings didn't matter and when I was 10 one of my best friends asked me if she was jealous of me.

21 Signs of a Narcissistic Mother | What are the Signs of ...

A pathological liar may not break their gaze when speaking to you. It's normal to look away on occasion in conversation. A pathological liar, however, will stare you in the eyes for as long as you talk. You also may notice subtle signs of lying in the eyes. A pathological liar's pupils may dilate slightly, and they may also blink slowly.
