The Adult Critical Care Specialty (ACCS) Examination objectively measures the knowledge and skills of respiratory therapists in this specialty area. It goes above and beyond general respiratory care activities to focus specifically on competencies that are unique to adult critical care. Therefore, wearing the RRT-ACCS badge of distinction signals to employers, colleagues and patients that your skills are highly specialized.

### Nbrc Accs Exam Study Guide - XpCourse

Typical of the free exam and purchase exam from the nbrc. It seemed to mirror my syllabus for adult critical care. I did not find anything that helped except for my syllabus experience from teaching, my 30 years working in adult critical care, and studying the test questions from the nbrc to see what specifically is on the test.
