Use these groundbreaking techniques to take control of every personal and business situation...and never be lied to again.

Explains how to interpret body language, facial expressions, word choice, and sentence structure to determine if someone is telling the truth

A NEW YORK TIMES BESTSELLER In the latest thriller from the bestselling author of Final Girls, a young woman returns to her childhood summer camp to uncover the truth about a tragedy that happened there fifteen years ago. Two Truths and a Lie. The girls played it all the time in their cabin at Camp Nightingale. Vivian, Natalie, Allison, and first-time camper Emma Davis, the youngest of the group. But the games ended the night Emma sleepily watched the others sneak out of the cabin into the darkness. The last she--or anyone--saw of them was Vivian closing the cabin door behind her, hushing Emma with a finger pressed to her lips. Now a rising star in the New York art scene, Emma turns her past into paintings--massive canvases filled with dark leaves and gnarled branches that cover ghostly shapes in white dresses. When the paintings catch the attention of Francesca Harris-White, the wealthy owner of Camp Nightingale, she implores Emma to return to the newly reopened camp as a painting instructor. Seeing an opportunity to find out what really happened to her friends all those years ago, Emma agrees. Familiar faces, unchanged cabins, and the same dark lake haunt Nightingale, even though the camp is opening its doors for the first time since the disappearances. Emma is even assigned to the same cabin she slept in as a teenager, but soon discovers a security camera--the only one on the property--pointed directly at its door. Then cryptic clues that Vivian left behind about the camp's twisted origins begin surfacing. As she digs deeper, Emma finds herself sorting through lies from the past while facing mysterious threats in the present. And the closer she gets to the truth about Camp Nightingale and what really happened to those girls, the more she realizes that closure

could come at a deadly price.

Alcohol is the most devious and deceptive drug on planet earth and occasionally people fall back under its spell. This journey backwards virtually always starts with the same sentence being uttered: ' Surely just one drink won ' t hurt ' . Just one drink... it seems such an innocuous action that it couldn ' t possibly cause any substantial drama. In reality it is the same hoping to take just one little step off a cliff. It ' s only one seemingly insignificant step but the consequences are rapid, irreversible and severe. Both events start off an unstoppable series of events. In Alcohol Lied to Me... Again, Craig gives you the tools to once again break the cycle of alcohol addiction. You will discover why this relapse can be a good thing and how you use it to ensure you stay sober for the rest of your life. If you have started drinking again... this book will guide you quickly back to a happy and fulfilled life, completely free from the misery of alcohol.

Three former CIA officers share their techniques for lie detection, outlining methods for identifying deceptiveness as revealed by verbal and non-verbal behaviors from facial expressions and grooming gestures to invoking religion and using qualifying language.

As it was in Anna Karenina, Madame Bovary, and Othello, so it is in life. Most forms of private vice and public evil are kindled and sustained by lies. Acts of adultery and other personal betrayals, financial fraud, government corruption—even murder and genocide—generally require an additional moral defect: a willingness to lie. In Lying, best-selling author and neuroscientist Sam Harris argues that we can radically simplify our lives and improve society by merely telling the truth in situations where others often lie. He focuses on "white" lies—those lies we tell for the purpose of sparing people discomfort—for these are the lies that most often tempt us. And they tend to be the only lies that good people tell while imagining that they are being good in the process.

J.T. Ellison ' s pulse-pounding new psychological thriller examines the tenuous bonds of friendship, the power of lies and the desperate lengths people will go to in order to protect their secrets. Goode girls don ' t lie... Perched atop a hill in the tiny town of Marchburg, Virginia, The Goode School is a prestigious prep school known as a Silent Ivy. The boarding school of choice for daughters of the rich and influential, it accepts only the best and the brightest. Its elite status, long-held traditions and honor code are ideal for preparing exceptional young women for brilliant futures at Ivy League universities and beyond. But a stranger has come to Goode, and this ivy has turned poisonous. In a world where appearances are everything, as long as students pretend to follow the rules, no one questions the cruelties of the secret societies or the dubious behavior of the privileged young women who expect to get away with murder. When a popular student is found dead, the truth cannot be ignored. Rumors suggest she was struggling with a secret that drove her to suicide. But look closely...because there are truths and there are lies, and then there is everything that really happened. Don ' t miss Her Dark Lies, the next page-turning thriller from New York Times bestselling author J.T. Ellison!

A comprehensive, holistic look at the underlying emotional, physical, and spiritual causes of anger, and what the reader can do to gain perspective allowing them to never get angry again. "An essential instruction manual for anger management, but also a detailed work on how to get along with other people." —Library Journal (starred review) Never Get Angry Again is New York Times bestselling author David J. Lieberman ' s comprehensive, holistic look at the underlying emotional, physical, and spiritual causes of anger, and what the reader can do to gain perspective, allowing them to never get angry again. Take a deep breath and count to ten. Meditate. Visualize your happy place. You ' ve probably heard all of these anger management techniques and more from friends, family, and experts, but somehow they miss the mark when it comes to coping with the complex emotion of anger. Let ' s face it: if anger-management techniques were effective, you wouldn ' t be reading this book. These clumsy attempts to maintain calmness are usually futile and sometimes emotionally draining. The fact is, either something bothers us (causing anxiety, frustration, or anger), or it doesn ' t. A state of calm is better accomplished by not becoming agitated in the first place. When we fight the urge to blow up or melt down, we fight against our own nature. Internationally bestselling author David J. Lieberman understands that a change in perspective is all that is needed to help keep from flying off the handle. In Never Get Angry Again, he illuminates the underlying emotional, spiritual, and physical components of anger, and gives the readers simple, practical tools to snuff out anger before it even occurs.

'Tightly plotted and brilliantly written, with sharp, believable characters, this whodunit is utterly irresistible' - HEAT THE INTERNATIONAL BESTSELLER Five students go to detention. Only four leave alive. Yale hopeful Bronwyn has never publicly broken a rule. Sports star Cooper only knows what he's doing in the baseball diamond. Bad boy Nate is one misstep away from a life of crime. Prom queen Addy is holding together the cracks in her perfect life. And outsider Simon, creator of the notorious gossip app at Bayview High, won't ever talk about any of them again. He dies 24 hours before he could post their deepest secrets online. Investigators conclude it's no accident. All of them are suspects. Everyone has secrets, right? What really matters is how far you'll go to protect them. \_\_\_\_\_ 'Twisty plotting, breakneck pacing and intriguing characterisation add up to an exciting single-sitting thrillerish treat' -THE GUARDIAN 'A fantastic murder mystery, packed with cryptic clues and countless plot twists. I could not put this book down' - THE SUN 'Pretty Little Liars meets The Breakfast Club' - ENTERTAINMENT WEEKLY

A bestselling modern classic—both poignant and funny—about a boy with autism who sets out to solve the murder of a neighbor's dog and discovers unexpected truths about himself and the world. Nominated as one of America ' s best-loved novels by PBS ' s The Great American Read Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.
