No nonsense? Should be called no new information. If you are driven enough to read a book on real estate, you don't need pointers like "shop around for a realtor, they work for you" or "clean up take good pictures of your house before listing." It really could use more information about financials. At least it was short and to the point.

Andrew Winter has had enough -- enough of sellers who think their house is the best when the reality is far from it; enough of buyers who expect so much more than they can afford; and enough of dodgy agents who give the industry a bad name. And now, for the first time inside this no-nonsense guide, he has something to say to you. If you're buying or selling property, you need help from someone who knows what they're talking about. Forget the spiel from agents and hype from the media -- read this straight-talking book and discover how to get your foot in the door, find a bargain, sell for a tidy profit or find the home of your dreams. Do you really know how to make money from real estate? Do you know what your house is worth? Do you know the pitfalls of buying a house based on aesthetics? Do you know how to establish a winning tactic for bidding at auctions? Do you know what the agent is thinking? Andrew Winter knows all of these things and more, and he has some cracking stories to tell you along the way. With more than 25 years in the property industry, including as host of the television series Selling Houses Australia on The LifeStyle Channel, Andrew

can be trusted to tell it straight.

Shiral ' s philosophy about keeping life and business simple makes property management fun and exciting. Being a landlord has its challenges, but it doesn ' t have to be a nightmarish experience. Let Shiral Torres teach you applicable property management skills and show you how to consistently stick to them. After reading Shiral ' s book you may even enjoy property management enough to turn it into a full-time career!

The goal of this book is to make you a better real estate investor. After reading this guide, you will make more informed decisions when it comes to real estate investing, use proven techniques to help you discern between different types of loans and decide which best fits your needs, understand the basic industry terminology, calculate costs and profits using time value of money principles, negotiate in a much more synergistic way, overcome adversity through adaptability, analyze deals through principles, and become acquainted with different investment vehicles.

With current trends concentrating on buyer-related representation and issues such as defects, disclosure, discount points and negotiations it is of paramount importance that the seller be well informed of responsibilities, practices and procedures. The market has a bounty of books promising to help the buyer get the best deal, help the buyer negotiate the price, help the buyer save on closing costs... Where is a handy reference tool designed with the SELLER in mind? Right here. Considering all of the materials available to the buyer--you really can't afford not to buy this book! Here's another thought... Property values are increasing in most metropolitan areas. Real estate commissions are typically based on the sales price of your home. Higher property value translates to higher commission! This book will teach you effective strategies for successfully marketing your home—with or without an agent.
