Anna has been turned over to Devin Andersen, the most powerful man in San Francisco. What does he have planned for her? Is she just his mistress? Or does he have darker designs in mind? Anna's entire life was scripted out before she was born by Devin Andersen, a man who doesn't have her best interests in mind. She is destined to be a tool in his hands to gain ultimate power in the USA. No, not as the President, but as the man who controls the President. Raised by an extremely abusive guardian, Anna was molded into the perfect tool for Devin's use. Devin will use Anna's unique gifts to control everyone around him and eventually take her gifts for himself. When Devin took her for himself at the age of sixteen, she had a vision of a man. A man who Devin was very interested in. But why? Why would Devin care about a young girl's dreams?

Anna has two masters, one she hardly knows, but who makes her feel safe, the other she's known all her life and says he needs her. Alex wants her to be free. Devin demands her obedience. As Anna takes her first steps into the world, into love, into friendship, she wonders if she will ever understand either of them. There is a subculture within our own world that you've only heard whispers of. The conspiracy theorists wish they knew Anna's story. What the conspiracy theorists think they know is only disinformation, put out there to keep them from the real story.

Evil is Coming... Between her love of dance and Chase, Sabrina finally feels she found her place in the world. Yet somewhere in the darkness her Master is waiting... watching for the perfect opportunity to wield her as his greatest weapon. Chase would give her his heart and build a beautiful future with her, if Sabrina could battle back the darkness brewing within her. But the Master's control is clawing at her, tempting her into submission. The war between good and evil has begun, with Sabrina as its unwilling target. Loyalties will be tested. Patience rewarded. As the powers that be rise and fall, who will be left standing in the end? And what side will Sabrina choose? The compelling conclusion to the Finding Sabrina Series ends with Master of My Life, the epic finale fans have been waiting for! ☐☐☐ Please Note: The series was originally designated as a four-book series. Because of the amount of time that has passed since I published Part Two, I've decided to conclude the series with one large volume. Sabrina's story is now a three-book series. ☐☐☐

Sabrina Mansfield is compelled to be a professional ballerina for reasons she can't explain. Ballet grounds her, completes her like no other activity, and attending dance camp in Boston is more than a dream come true. Her summer is full of amazing experiences, dancing, and laughter. She didn't expect to fall in love... When Christopher "Chase" Ralston graduates at the top of his class from West Point, his only aspiration is to follow in his late father's footsteps and join the elite Green Berets. He expects to spend his summer leave visiting with family and friends before heading off for training. Love is the last thing on his mind, but a glimpse of a young woman has him questioning his desire to remain single. Banished because he dared to become more than human, Vamar Thilduri has been waiting, plotting his revenge against Kronos, the father of the Immortals, for two thousand years. Nothing and no one will stand in the way of what he wants. And he wants Sabrina.

When life goes wrong, can it ever be made right? Five years ago, Sabrina left Boston anticipating her stay back home to be full of joy and hope. Instead, she became the leading role in her own living hell. Nothing more than a shadow of her former self, she escapes a malevolence determined to break her, and returns to Boston, trying to regain a semblance of the girl she once was. The girl without nightmares. The girl without shame and fear. Five years ago, Chase lost his heart and has compared every woman he encounters to the green-eyed beauty he met on the yacht. His life didn't turn out quite the way he expected, but he has grown stronger through his trials. Now, a marriage deadline is looming and the woman he wants seems to be a ghost trapped in his past. Fate brought them together. Evil tore them apart. Can Chase lead Sabrina into the light before she's lost to the darkness forever? ***Please note this is Part Two of a four-part series. It must be read in order, or nothing will make any sense.
