Early history. Tap originated in the United States through the fusion of several ethnic percussive dances, primarily African tribal dances and Scottish, Irish, and English clog dances, hornpipes, and jigs. Until the last few decades of the 20th century, it was believed that African slaves and Irish indentured servants had observed each other ' s dances on Southern plantations and that tap dancing was born from this contact.

Ballet is a formalized form of dance with its origins in the Italian Renaissance courts of 15th and 16th centuries. Ballet spread from Italy to France with the help of Catherine de' Medici, where ballet developed even further under her aristocratic influence. An early example of Catherine's development of ballet is through 'Le Paradis d' Amour', a piece of work presented at her daughter's wedding, Marguerite de Valois to Henry of Navarre. Aristocratic money was responsible for the initial stages
