Divine. But one day, they decide they're sick of them. They make a break for the New York City streets in search of pizza or Chinese takeout. But everywhere they go, they're told "No peacocks!" by the restaurant owners. So they try to get an ooey, gooey, delicious meal closer to home. But how are they going to sneak into the school cafeteria and get their wings on the school's world-famous mac 'n cheese? A little plotting, some stolen disguises, and a little help from some students, and the mission is a go! But will the peacocks get their mac 'n cheese? Or will their cover be blown so they have to fly the coop? Based on the real-life beloved bird celebrities who live at the Cathedral of St. John the Divine (who are known to run off the grounds), and brought to the page in bold, bright style, **No Peacocks!** is a hilarious romp and a perfect read-aloud.

Eleven-turning-twelve-year-old Cassie is an expert Peacock Detective. Her sharp eye for details is why the Hudsons from across the street call her every time their pet peacocks wander away. But there are some things even the greatest Peacock Detective can't figure out, like why her best friend is so angry lately; why her older sister is cutting her hair off; or why her parents are acting like they don't know each other anymore. Cassie is an expert at solving things. But what's a master detective to do when her whole world is changing, and all the answers are out of reach?

wants to be a sailor more than anything in the world. As Portuguese caravels arrive to seize his town of Calicut, India, stories begin circulating about the legendary one-eyed pirate and smuggler, Dayjur, who is known for his reckless bravery. Enchanted by the stories, Zahran dreams of joining the infamous corsairs of the Arabian Sea and has his first encounter with Dayjur. As the Portuguese blast Calicut into rubble, Zahran is left orphaned after his entire family is killed. Now with his city in ruins and thousands dead, Zahran plans a daring scheme to seek revenge for his family that leads him to Dayjur's ship, the Jahanam, where the pirate's and teen's lives become entangled in a twist of fate. After Dayjur reluctantly adds Zahran to his crew as a cabin boy, the Jahanam gallops into the open ocean. As Zahran's adventure begins, he must battle to survive and get along with his crusty crewmates—all while

Wayne's inner drive was to "Do the right things right, and then improve on them." This endeavor was about inspiring others by showcasing what one man can accomplish for himself, his family, his friends and for mankind. Wayne is very proud of his book and looks forward to get cracking on Part II of his autobiography.

In Diane Seuss's new collection, the notion of the still life is shattered and Rembrandt's painting is presented across the book in pieces—details that hide more than they reveal until they're assembled into a whole. A compelling story of secrets, betrayals and the consequences of a long-ago summer from the bestselling author of *Secrets of the Tides* and *The Shadow Year*. 'If she could reach back through the years and warn the person she once was, what would she say? ... What would she say to the ghosts who now inhabit her days? So many of those she has loved are now nothing but dust and memory.' At twenty-six, Lillian feels trapped by life. Her marriage to Charles Oberon has not turned out the way she expected it would. To her it seems she is just another object captured within the walls of Cloudesley, her husband's beautiful manor house tucked away high in the Chiltern Hills. But, with a young step-son and a sister to care for, Lillian accepts there is no way out for her. Then Charles makes an arrangement with an enigmatic artist visiting their home and his presence will unbalance everything she

thought she knew and understood. Maggie Oberon ran from the hurt and resentment she caused. Half a world away, in Australia, it was easier to forget, to pretend she didn't care. But when her elderly grandmother, Lillian, falls ill she must head back to Cloudesley. Forced to face her past, Maggie fights to hold herself and her family's legacy together as she learns that all she thought was real, all that she held so close, was never as it seemed. Two summers, decades apart. Two women whose lives are forever entwined. And a house that holds the dark secrets that could free them both. 'A beautiful and compelling story of forbidden love, grief and guilt...'
