piracy are called pirates. The era of piracy in the Caribbean began in the 1500s and died out in the 1830s after the navies of the nations of Western Europe and North America with colonies in the Caribbean began combating pirates. In the early eighteenth century a number of the great pirate captains, including Edward 'Blackbeard' Teach and 'Black Sam' Bellamy, joined forces. This infamous 'Pirating Gang' was more than simply a thieving band of brothers. Many of its members had come to piracy as a revolt against conditions in the merchant fleet and in the cities and

plantations in the Old and New Worlds. Piracy flourished in the Caribbean because of the existence of pirate seaports such as Port Royal in Jamaica, Tortuga in Haiti, and Nassau in the Bahamas. Inspired by notions of self-government, they established a crude but distinctive form of democracy in the Bahamas, carving out their own zone of freedom in which indentured servants were released and leaders chosen or deposed by a vote. pirates—former sailors, indentured servants, and runaway slaves—this "Flying Gang" established a crude but distinctive democracy in the Bahamas, carving out their own zone of freedom in which servants were free, blacks could be equal citizens, and leaders were chosen or deposed by a vote. They cut off trade routes, sacked slave ships, and severed Europe from its New World empires, and for a brief, glorious period the Republic was a success.
