You have an enemy . . . and he's dead set on destroying all you hold dear and keeping you from experiencing abundant life in Christ. What's more, his approach to disrupting your life and discrediting your faith isn't general or generic, not a one-size-fits-all. It's specific. Personalized. Targeted. So this book is your chance to strike back. With prayer. With a weapon that really works. Each chapter will guide you in crafting prayer strategies that hit the enemy where it hurts, letting him know you're on to him and that you won't back down. Because with every new strategy you build, you're turning the fiercest battles of life into precise strikes against him and his handiwork, each one infused with the power of God's

Spirit. New York Times bestselling author Priscilla Shirer, widely known for her international speaking, teaching, and writing ministries, brings her new role from the 2015 film *War Room* into the real lives of today's women, addressing the topics that affect them most: renewing their passion, refocusing their identity, negotiating family strife, dealing with relentless regrets, navigating impossible schedules, succeeding against temptation, weathering their worst fears, uprooting bitterness, and more. Each chapter exposes the enemy's cruel, crafty intentions in all kinds of these areas, then equips and encourages you to write out your own personalized prayer strategies on tear-out sheets you can post and pray over yourself and your loved ones on a regular basis. *Fervent* is a hands-on, knees-down, don't-give-up action guide to practical, purposeful praying.

"Pope John Paul II's *Theology of the Body* can be a tough doctrine to get one's head around, and Gerard-Marie's devotional approach in *Who Am I? Theology of the Body in Prayer* is a welcome contribution to the ongoing conversation about the meaning of the human person. Hopefully readers will bring an attitude of prayer to their reading of this book, and make progress in seeing *Theology of the Body* as a livable reality that cannot be confined to the pages of a textbook."-Matt Swaim

Bloesch asserts that true prayer is not humanity rising to God in order to become one with him (the mystical ideal), but God reaching out to humanity and calling for a response of obedience.

Carson calls believers to revolt against superficiality and find again the deeper knowledge of God at Paul's school of prayer. Strong expositional study.

The *Walking with God* series of studies encourages disciples to dig deeper in building their personal relationship with God whilst, at the same time, challenging them to nurture a missionary mind set which is to see people as Jesus sees them with a heart to demonstrate His love through various means of service. This book contains all the teaching notes as well as lots of hints and tips for leading a small group through the first set of studies in the series - *Walking with God in Relationship - Prayer & God's Word*. The aim is to lay a foundation of worship, prayer and personal study of the Word of God in the life of the disciple. It is hoped that as disciples enjoy gathering and growing together regularly they will want to carry on in their journey of discipleship by completing other Bible studies in the *Walking with God* series or other studies within *New Beginnings Discipleship*. The end-goal is that some will become effective disciple-makers themselves.

When it comes to anxiety, depression, and stress-related illnesses, America is the frontrunner. Thankfully, there's a practical prescription for dealing with them. *Anxious for Nothing*, from New York Times bestselling author, Max Lucado, provides a roadmap for battling with and healing from anxiety. Does the uncertainty and chaos of life keep you up at night? Is irrational worry your constant companion? Could you use some calm? If the answer is yes, you are not alone. According to one research program, anxiety-related issues are the number one mental health problem among women and are second only to alcohol and drug abuse among men. Stress-related ailments cost the nation \$300 billion every year in medical bills and lost productivity. And use of sedative drugs like Xanax and Valium have skyrocketed in the last 15 years. Even students are feeling it. One psychologist reports that the average high school kid today has the same level of anxiety as the average psychiatric patient in the early 1950s. Chances are, you or someone you know seriously struggles with anxiety. Max writes, "The

news about our anxiety is enough to make us anxious.” He knows what it feels like to be overcome by the worries and fear of life, which is why he is dedicated to helping millions of readers take back control of their minds and, as a result, their lives. *Anxious for Nothing* invites readers to delve into Philippians 4:6-7. After all, it is the most highlighted passage of any book on the planet, according to Amazon: Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus. In the characteristic tone of his previous books like *You'll Get Through This* and *Fearless*, Max guides readers through this Scripture passage and explains the key concepts of celebration, asking for help, leaving our concerns, and meditating. Stop letting anxiety rule the day. Join Max on the journey to true freedom and experience more joy, clarity, physical renewal, and contentment by the power of the Holy Spirit. Anxiety comes with life. But it doesn't have to dominate your life.

One prayer can change everything. Martin Luther. Sojourner Truth. Helen Keller. St. Patrick. We read their stories, and of other people like them, in history books, and hear about the amazing things they did to change the world. But one part of the story is often left out: Each one of them wouldn't have accomplished what they did without prayer. In this book from bestselling author Tricia Goyer, the stories of twenty-five notable people are presented along with the major prayer that changed their lives, and changed history. Following each historical example is a biblical story that ties to that person's life and actions, as well as ways you can use the power of prayer in your life as well. Because God isn't done changing the world yet, and he would love to use you to make history. Includes images of each historical figure.

Looking to simplify your life? quiet your mind? find your unique spiritual gift(s) and make a difference? Turn to the Beatitudes! Sometimes teachings from well-known biblical passages are so obvious and preached so often that we overlook other helpful, not-so-obvious lessons. The Beatitudes are celebrated as being the template for humble Christian living. Dig deeper and you'll also find practical applications for living a simpler yet more spiritually engaged life, especially in this distraction-heavy and frenzied world. "...the Beatitudes are not easy sayings we can glibly incorporate in our way of life," writes Redding. "Like so much of what Jesus said, they invite us to move beyond first impressions and surface meanings. They challenge us to explore." Using Jesus' teachings about the kingdom of heaven and how that message spurs us to critically evaluate our priorities, Redding says we must learn to say no to some things to say yes to God. The book's brief chapters are just-right for today's busy schedules and can be read in minutes. Daily exercises following each chapter will help you consider and practice lessons learned and respond to scripture in a self-guided study. Also included are meeting plans for an 8-session small-group study of the book.
