Women of African Ancestry Shine With the Beauty, Value, and Uniqueness of Precious Jewels. If any race of women should recognize that their value is far above rubies, pearls, and sapphires, says author Terri McFaddin, it is those of African ancestry. Like precious gemstones formed within the earth, we have endured hard times, the heat of adversity, and intense pressures, and have come out of the fire as a rare

and beautiful treasure. We have made tremendous progress in the struggle for racial equality. Yet many women of color do not fully understand their true worth and God-given potential. Exploring vital biblical truths, *Sapphires and Other Precious Jewels* empowers us to recognize and fully embrace the qualities that make us precious, valuable, and strong—sapphires of great price. Explore the Treasured Qualities of Black Women Through the Twelve Jewels in the Breastplate of the High Priest. As you examine the scriptural principles drawn from Exodus 28, you will discover, perhaps for the first time, that your beauty is both natural and spiritual, that God created and affirms your beauty and uniqueness, and that he calls you to demonstrate and celebrate the extraordinary ways in which you are fearfully and wonderfully made. From the Trade Paperback edition.

The debut of a major new talent, *SAPPHIRE'S GRAVE* tells the stories of several generations of African-American women, bringing their spirit and their sorrow to life with a power, sensitivity, and immediacy. In 1749 in Sierra Leone, a woman of fierce dignity is captured and forced onto a slave ship. On the harrowing voyage to the Americas, she is beaten for her unrelenting will and staunch pride. When she arrives, she gives birth to a daughter who is called Sapphire because of the "black-blue-black" complexion she shares with her mother. Sapphire has also inherited her mother's strength and defiant spirit, and despite a life of poverty and oppression, she grows up to mother several daughters of her own. Even when tragedy strikes and part of Sapphire dies, her strength gives rise to a legend that will sustain the women who follow her, "each carrying something of her mother, her grandmother, her aunts; each passing on to her own daughters blessing and cursing, the consequences of her own choosing. Through the lives of Sapphire and her descendants, Hilda Gurley-Highgate not only creates a poignant and engrossing saga of black women in America, she brilliantly illuminates the meaning of roots and the links between women and their female ancestors, a tie that often appears tenuous, undefined, and distant, but is strong, palpable, and much closer than we imagine. Written in luminous prose, *SAPPHIRE'S GRAVE* is an astonishing work by an author poised to take the literary world by storm.

In 1917, Wallace, Idaho was the jewel of the silver belt, with elegant brick buildings, paved roads, and electric street lamps. Two families, the Fosters and the Connors, settled in Wallace to raise their children. This is the story of the Fosters' oldest son, Earl, and of the Connors' daughter, Bertie.

Would you like to learn to pray like a medieval Christian? In *Mary and the Art of Prayer*, Rachel Fulton Brown traces the history of the medieval practice of praising Mary through the complex of prayers known as the Hours of the Virgin. More than just a work of comprehensive historical scholarship, the book asks readers to immerse themselves in the experience of believing in and praying to Mary. *Mary and the Art of Prayer* crosses the boundaries that modern scholars typically place between observation and experience, between the world of provable facts and the world of imagination, suggesting what it would have been like for medieval Christians to encounter Mary in prayer. *Mary and the Art of Prayer* opens with a history of the devotion of the Hours or "Little Office" of the Virgin. It then guides readers in the practice of saying this Office, including its invitatory (Ave Maria), antiphons, psalms, lessons, and prayers. The book works on several levels at once. It provides a new methodology for thinking about devotion and prayer; a new appreciation of the scope of and audience for the Hours of the Virgin; a new understanding of how Mary functions theologically and devotionally; and a new reading of

sources not previously taken into account. A courageous and moving work, it will transform our ideas of what scholarship is and what it can accomplish.

These true stories are Yahweh ' s story written through the lives of His people. They take place within the context of a Hebraic Christian Community and it is an exciting expedition that just happens to occur in the lives of two midwives who live life caught in the crossfire between the natural and supernatural realms. Nanna and Mercy live life from the Kingdom backwards and truly delight in bringing the Kingdom of Heaven down into the earth. Their stories are presented as tiny portraits of the Heart of our beloved Father, and hopefully will bring a smile to your face and joy to your heart. They are shared in hopes of stirring up curiosity, expanding your vision and wonder, and awakening a hunger for the things unseen that can impact the birth of each new spirit-vessel exponentially. Expect the itsy-bitsy glimpses into the heavenlies to inspire your faith in Him. More information may be found on www.HebraicMidwifery.com

"Joys of a Guardian Angel" is an uplifting book, which brings much joy to all who read it. The good news is that we human beings have much assistance from the spirit side to guide us through Earth's transformation. In this book, you will meet seven spirit helpers available to all. Each has unique gifts and talents to help us as the climate changes, society changes, and our lives change. This book tells why they choose to come and help us on Earth. We learn where they came from, when and how they arrived. We learn what they offer and how they can help you, your family, and your life. Each entity is powerful and highly talented. Invite them into your world and learn ancient ways that encourage future healing, leading us into the New Golden Age for humanity.

This Companion focuses on the way Orthodox theological tradition is understood and lived today.
