That's where she met Colton Wagner, who awoke something in Ryanne she didn't know she had. Being the only non-mage to ever gain magic, paints a target on Ryanne's back for it has been prophesized that a non-mage female would end the chaos created by rogue mages, the Gadramicks. Dravin, their manipulative leader, will do anything within his power to prevent the prophecy from being fulfilled. Finding out that she's an intricate part to ending a prophesized war, Ryanne has the weight of all mages on her shoulders. With the help of Colton and his family, along with a healer, a dream-walker, and a loud-mouthed mage, Ryanne sets out on the journey of a lifetime. Orchestrating her own imprisonment to escape military duty has only honed her ability to deceive others. But when rebels start attacking the city, Lai is dragged back into the fight with a new team of Nytes. Thrown together with Jay, a self-conscious perfectionist consumed by the desire to be accepted; Al, a short-tempered fighter lying for the sake of revenge; and Erik, an amnesiac hell-bent on finding his memories and his place in the world, Lai realizes she's facing an entirely different kind of challenge—one that might just be impossible. But if this team can't learn to work together, the entire sector will be plunged into war.
