Remedial teachers should specifically design meaningful learning situations, language environments (especially for English subject), games or activities so as to provide personal learning experiences for pupils and stimulate their interest and initiative in learning.

~~[Archive] Chapter 3—Remedial Teaching Strategies~~

If a student struggles with reading he or she may be pulled out of class for remedial reading lessons. Remedial instruction is usually taught one-on-one or to small groups. This individualized attention allows a child's specific needs to be targeted. Here are a few strategies you can use as a teacher or parent when teaching remedial reading lessons.

as literacy and numeracy. Whereas special education is designed specifically for students with special needs, remedial education can be designed for any students, with or without special needs; the defining trait is simply that they have reached a point of lack of preparedness, regardless of why. For example, even people of high intelligence can be under-prepared if their educ

## Remedial education—Wikipedia

First, take a concrete approach using 3-dimensional, age-appropriate manipulatives. Second, employ 2-dimensional, age-appropriate visual aids, such as pictures, charts, etc. Finally, introduce math symbols and numbers. 5. Have the students keep a notebook listing math facts, vocabulary and procedures in their own words.
