This road parallels the A1M, is a good fast tarmac surface with a great wedge of road over the white line. RIPON & THE DALES – HARD 41 MILES The best Dales villages and pubs, a steep and painful mountain climb with views to long for; a fast downhill section which would stand its own against anything in the Alps and long flat sections where speed is demanded.

Awkward teachers, pompous school governors and fearsome lollipop ladies occasionally make Gervase Phinn's hectic job as a school inspector in the Yorkshire Dales more than difficult. But for Gervase, the focus, and challenge, remains the frankly spoken children.

Take a trip to the country with Gervase Phinn's heartwarming tales of life as a school inspector in Yorkshire 'Gervase Phinn's memoirs have made him a hero in school staff-rooms' Daily Telegraph _____ As the newly appointed County Inspector of Schools in North Yorkshire, Gervase Phinn reveals in this warm and wonderfully humorous account, the experiences of his first year in the job - and what an education it was! He quickly learns that he must slow his pace and appreciate the beautiful countryside - 'Are tha'comin' in then, mester, or are tha' stoppin' out thee'r all day admirin' t'view?' He encounters some larger-than-life characters, from farmers and lords of the manor to teaching nuns and eccentric caretakers. And, best of all, he discovers the delightful and enchanting qualities of the Dales children, including the small boy, who, when told he's not very talkative, answers: 'If I've got owt to say I says it, and if I've got owt to ask I asks it.' With his keen ear for the absurd and sharp eye for the ludicrous, Gervase Phinn's stories in The Other Side of the Dale will not fail to make you weep with laughter.

Over Hill and Dale is the second volume in Gervase Phinn's bestselling Dales series. 'Miss, who's that funny man at the back of the classroom?' So begins school-inspector Gervase Phinn's second year among the frankly spoken pupils and teachers of North Yorkshire - the sight of Gervase with his notebook and pen provokes unexpected reactions from the children and adults alike. But Gervase is far from daunted - he is ready to brave the steely glare of the officious Mrs Savage, and even feels up to helping Dr Gore organize a gathering of the Feofees - just as soon as someone tells him what they are! He is still in pursuit of the lovely headteacher Christine Bentley, but will she feel the same? This is a delectable second helping of hilarious tales from the man who has been dubbed 'the James Herriot of schools'. In Over Hill and Dale, Gervase Phinn will have you laughing out loud. This new, thoroughly updated edition of Yorkshire Dales, part of Bradt's series of distinctive 'Slow' guides to local UK regions, remains the most comprehensive guide to the area and covers the whole of the recently extended Yorkshire Dales National Park and Nidderdale Area of Outstanding Natural Beauty as well as some 'slow' and historic towns and villages just outside the boundaries. Dale by dale, each chapter covers wildlife, folklore, history and local food and drink, and suggests routes to follow to see the best of it all. Walking and cycling are included, as well as all the attractions and advice needed for a memorable visit. Written by an expert who has lived and worked in the area for over 30 years, the guide draws from his personal experiences as an outdoor enthusiast, naturalist and beer connoisseur. The Yorkshire Dales is famous internationally for its caves, scenic rivers, waterfalls and limestone flora but the lives and culture of the Dales folk that live there are just as fascinating. These days the area is also known for the Tour de Yorkshire, now firmly established as a hugely popular annual cycling event. Ease the pace and discover the delights of the north Pennines, where rivers from the limestone uplands have forged the dales that give the region its name. Drop in to the Tan Hill Inn, the highest pub in Britain, where sheep regularly find their way in to warm themselves by the roaring fire; journey into the depths of Gaping Gill, one of the largest underground chambers in Britain; or take a scenic rail trip on the famous Settle-Carlisle line, crossing the longest railway viaduct in the country at Ribbleshead en route. The Yorkshire Dales offer hundreds of square miles of open-access land to explore, popular long-distance footpaths including the Pennine Way and Coast to Coast Walk, renowned medieval castles such as Skipton and Richmond, quaint stone villages and an exceptionally rich wildlife particularly associated with clean rivers and limestone-pavement flora. Discover all this and more with Bradt's Slow Travel Yorkshire Dales, the perfect companion for a successful trip.
