It is easy to get in, but once there it is impossible to get out. —Nellie Bly* Elizabeth Cochrane has a secret. She isn't the madwoman with amnesia the doctors and inmates at Blackwell's Asylum think she is. In truth, she's working undercover for the *New York World*. When the managing editor refuses to hire her because she's a woman, Elizabeth strikes a deal: in exchange for a job, she'll impersonate a lunatic to expose a local asylum's abuses. When she arrives at the asylum, Elizabeth realizes she must make a decision—is she there merely to bear witness, or to intervene on behalf of the abused inmates? Can she interfere without blowing her cover? As the superintendent of the asylum grows increasingly suspicious, Elizabeth knows her scheme—and her dream of becoming a journalist in New York—is in jeopardy. *A Feigned Madness* is a meticulously researched, fictionalized account of the woman who would come to be known as daredevil reporter Nellie Bly. At a time of cutthroat journalism, when newspapers battled for readers at any cost, Bly emerged as one of the first to break through the gender barrier—a woman who would, through her daring exploits, forge a trail for women fighting for their place in the world.

From basement bars to man caves and backyard tiki huts, the home bar has been a beloved, boozy playground for nearly 75 years. Sounds time-consuming, but help is at hand! Inside *Home Bar*, food and drink connoisseur Andy Clarke reveals his top tips on fuss-free entertaining and how to curate the essential kit - from swizzle sticks to spirits, glasses to mixers, and so much more. His recipes will include classic favorites, batch tipples to save time, mocktails as well as his own boozy inventions, guaranteed to get the party started.
