Council Post: Down With The Hierarchy: How Flat Management ...

A residential property management company is set up either by a group of owners who each own a part of one building or group of buildings (perhaps having exercised their right to buy the freehold), or by a developer who constructs or divides the building in the first place. The usual structure is that each unit owner (by unit, we mean a flat or a house) has a long lease of his or her property from the management company, which owns the freehold.
