This book uses the North American Chinese Invitational Volleyball Tournament (NACIVT) to examine processes of constructing identity, belonging, and community, and how these processes mobilize, deploy, and are therefore embedded in intersecting and socially constructed notions of race, gender, class, and culture.

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region. Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region.

The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security. Founded by Manhattan Project Scientists, the Bulletin's iconic "Doomsday Clock" stimulates solutions for a safer world.

All across the country, a growing number of children are dropping out of organized sports—not because they don't like to play, but because the system they play in is failing them. Written by one of this country's leading advocates of youth sports, Why Johnny Hates Sports explains why many of the original goals of youth leagues have been affected by today's win-at-all-costs attitude. It then documents the negative physical and psychological impact that parents, coaches, and administrators can have on children, while providing effective solutions to each of the problems covered. Why Johnny Hates Sports is both an exposé of abuses and a call to arms. It clearly illustrates a serious problem that has plagued youth sports for too long. Most important, it provides practical answers that can alter this destructive course.

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Volunteering is a topic of increasing importance in this age of budget cuts, declining employment and amid the threat posed by other competing leisure pursuits. There are both social and economic benefits of volunteering. As we are becoming more reliant on volunteers, there is a need for a better understanding of why people take up volunteering, and how to recruit, manage, motivate, and support volunteers most effectively. In order for organisations that host volunteers to achieve the most from their volunteers, they must understand how to give them the best "leisure" experience. This book examines critical aspects of contemporary volunteerism, from the perspective of a variety of volunteering contexts. It will appeal to academic researchers and students in disciplines such as leisure, recreation, tourism, management and sociology as well as practitioners in the voluntary sector (including volunteers), National and Local Government and those organising special events that depend on voluntary support.

The Routledge Handbook of Sports Sponsorship provides a comprehensive guide to the successful management of sport sponsorship. From the development of an appropriate strategy to the implementation of the sponsorship operation through to post-event analysis, this book offers an authoritative reference for large and small events. The text also provides an accessible review of the legal issues associated with marketing, copyright and contracts in print, television and radio sponsorship, illustrated with a wealth of case studies. Includes: • Sports marketing and sports management theory. • Stage by stage analysis of the sponsorship process •The roles of different key stakeholders in the process • Thorough explanation of copyright and contract law for sports sponsorship • Major international sports sponsorship case-studies examined from concept stage through to post-event analysis. The Routledge Handbook of Sports Sponsorship is essential reading for students and a valuable reference for professionals in sports law, sports management, sports marketing and brand management.
