whether you want it to be plains or water. Name your region. Next, click on a section of your region and choose "play". Step 2, Customize your region. Go to "God Mode" and begin shaping your landscape. Steep mountains and water cannot be zoned on. Remember that trees at this point are free, and also increase land value and health. Adding trees now will be very beneficial. Step 3, Go to "Mayor Mode" and name your city. Then zone some low density residential.
