## Six Cousins At Mistletoe Farm

Poetry in Six Cousins at Mistletoe Farm As a child, I assumed that the poetry quoted by Aunt Linnie and Cyril was composed by Enid Blyton! Only later on in life did I realise that that was not the case, when I recognised some lines from Milton!

Six Cousins at Mistletoe Farm by Enid Blyton

Basically, the jist is that three city kids go to live with their three cousins on a farm after their house burns down, where they get up to loads of shenanigans involving poaching, poetry and getting over a totally rational fear of fire.

It just goes to show that Enid Blyton was at her best with the simple things in life – in this case how three siblings cope when their cousins come to live with them at Mistletoe Farm. After a fire burns down their lovely home at Three Towers, Uncle David and Aunt Rose are quite understandably distraught. What are they to do?

The Six Cousins books are "family" books rather than "farm" books, focussing on the children and the crises they face — crises that may be the making or breaking of them. Adult characters play a significant role and the stories are laden with drama and full of comparisons and contrasts, making them a gripping and unusually poignant read.

Six Cousins Again Review by Keith Robinson (October 22, 2006)

Following on directly from Six Cousins at Mistletoe Farm, this sequel deals with Cyril, Melisande and Roderick's move into nearby and newly-acquired Holly Farm. They have a good look about the place beforehand, and like what they see, but it's while they're at school that the furniture arrives and everything gets put in place.
