God. The Bible was inspired by God (2 Tim 3:16). The Book of Song of Solomon shows the love of the Lord Jesus to His bride, the Church, who is called Shulamite. Shulamite in Hebrew is the feminine noun for Solomon. Solomon in Hebrew is shalom meaning peace unto wholeness. This wholeness comes from a relationship with the Lord which is offered to everyone, male or female, Jewish or Gentile (non-Jewish). Do not think of Solomon in this book as the king, for he too is a believer in the Lord, so therefore He too can be the Shulamite. This is not a

picture of Solomons love for a woman, but instead the story of how Solomon came to love the Lord and grow spiritually throughout His life. Both Books (Revelation and Song of Solomon) are actually a symbolic picture of the Ancient Jewish Wedding. The bride is the Church, and therefore, seen as female, yet we know that God is identified as being present in both male and female. Therefore, Solomon is writing as a believer growing in his walk with the Lord. Song of Solomon, like all books in the Old Testament, point to Jesus. It cant be about Solomon and his love for a woman; IT HAS

TO BE ABOUT JESUS.

Therefore, it shows how a believer grows in their relationship with Jesus. The Jewish wedding takes us from the first time we see Jesus in the spirit and are engaged (salvation) to the time we see Jesus face to face in marriage (our resurrection) to the time we return with Christ to rule and reign as His wife (Millennium) to the time we live in the new heaven and earth (eternity). The intention of this book is to experience in the spirit the life of the believer growing in our knowledge and relationship with Jesus Christ.

The Song of Solomon, as its Hebrew title indicates, is "the best of songs." In it we hear the passionate melody of romantic love. But whose love is described? Is it a couple's love for each other, God's love for Israel or Christ's love for the church? This Old Testament book has fascinated and perplexed interpreters for centuries. They have felt uncomfortable--even embarrassed--when confronted with its strange and erotic imagery."The Song is a celebration of the nature of humanity---male and female created in God's image for mutual support and enjoyment.

There is nothing here of the aggressive male and the reluctant or victimized female. They are one in their desires because their desires are God-given." So writes Lloyd Carr in this introduction and commentary to the Song of Solomon. With his own unique style, Carr skillfully explains the meaning of this ancient love story in a way that can be clearly grasped and applied for Christians living in today's world.
