The only two-level series that prepares students for success in both presentations and academic discussions, *Speech Communication Made Simple* takes an interactive, accessible approach to building confidence as a speaker. Students learn how to present in a variety of genres, effectively use voice and props, and lead or participate in discussions. With its lighthearted and engaging approach, the text helps students acquire speech communication and listening skills that they can apply immediately and throughout their lives. Features: Varied speech genres that range from personal story to persuasive. Broad array of projects including interviews and group discussions. Scaffolded approach that includes directed discussion of a model presentation; skill-building exercises for selecting a topic, organizing information, and more; practicing aloud; and finally, delivering a speech. Pronunciation Practice that focuses on American English pronunciation patterns that are difficult for most non-native speakers of English. Playing with Sayings section that presents idiomatic sayings in popular use and related activities to help students understand and use them to enhance their spoken communication. Useful language boxes that illustrate effective ways to begin speeches or participate in discussion. CD-ROM with MP3 audio that includes sample speeches

Students learn to speak and act comfortably in a new culture by sharing cultural thoughts, notions, and experiences, and comparing these with the behaviors, customs, and everyday situations common to life in North America. -- Focus on integrated skills -- Common situations: shopping, dating, going to the doctor, participating in social events, and sharing common interests -- Nonverbal communication -- Attention to different language learning styles and techniques -- Case studies, critical incidents, and topics for discussing cross-cultural issues -- Answer key and transcript at the end of the book

Rev. ed. of: Language and motor speech disorder in adults / Harvey Halpern. 2nd ed. c2000.

This popular text addresses the core issues and concerns of intercultural communication by integrating three different perspectives: the social psychological, the interpretive, and the critical. The dialectical framework, integrated throughout the book, is used as a lens to examine the relationship of these research traditions. This text is unique in its emphasis on the importance of histories, popular culture, and identities. The new edition features expanded discussion on globalization, computer-mediated technologies, and the role of religion in global and domestic contexts and how they relate to intercultural communication.

Learn to speak in public without breaking a sweat! The Public Speaking Playbook, Third Edition coaches students to prepare, practice, and present speeches at their highest level. With a focus on actively building skills, authors Teri Kwai Gamble and Michael W. Gamble guide students in the fundamentals of the public speaking process, and uses frequent interactive exercises that allow students to practice—and improve—their public speaking. Students want to put their skills into practice quickly, so the Playbook gives them the essentials in brief learning modules that focus on skill-building through independent and collaborative learning activities. As students master their skills, they are also encouraged to think critically about what it means to “play fair” in your public speaking—with a focus on diversity, ethics, and civic engagement.
