exam confuses and frustrates students so this guide will help them with that and they will be better equipped to perform well. When using a study guide as the basis for your review lesson, ensure that it is interactive. Have students translate the vocabulary words on the sheet, leave blanks in target structures for students to fill in, and list only the questions of a model dialogue so students have to write down their answers.

How to Teach Review Lessons: Success Strategies

Before testing students on a taught unit of work, it is always a good idea to take some time to review what you have done with them. Some units of study may take several weeks, or even months, to complete.
