As a Sunday school teacher I prepare my own lessons based on Bible scriptures (King James Version). I began teaching Sunday school approximately 12 years ago. My pastor told the Sunday School Superintendent to choose me and five other church members to be prepared to teach Sunday school the following Sunday in 2003. I did not know what to do or teach. I was scared to death. But I was ready and have been teaching children in Sunday school ever since then. My lessons accumulated quickly and I want to share them with others. In preparing my lessons I become so inspired, and I continue to learn, I continue to grow with each and every lesson. It is my prayer that you get something out of these lessons and my hope that you share them with others.

Breathing Life into Sunday School speaks to the most important ministry that churches have, their Bible teaching ministry. Although Sunday school goes by many names today, it is still a time-honored and effective ministry for teaching the Bible, reaching people for Christ, assimilating them into the church, and growing them as disciples. The majority of churches inside and outside the SBC utilize Sunday school and need to know ways to grow it and improve its health. Although Sunday school is an important ministry, many churches have not experienced its full potential. Sunday school is in decline in most

denominations, and there is a lack of health and vitality that it once had. In many churches, the leadership of the Sunday school is in the hands of untrained laymen (Sunday school directors), or is led by the pastor who has no paid staff members, and who might even be bi-vocational. This limits the pastor's time to address the needs of the church's Sunday school. This book details twelve ways that a church can experience new life and vibrancy in its Sunday school ministry. The twelve essentials are replicable by churches of any size. Based on the author's extensive history and training in Christian education and Sunday school, he helps the reader focus on key practices that are needed in order for a Sunday school to grow. The 128 page book is designed to help church leaders train Sunday school directors, teachers, and group members of a Sunday school class or Bible study group.
