Selfors brings heart and humor to this middle grade novel about a group of misfits who find true friendship where they least expect it. Five misfits. One magical wish. Leilani dreams of being friends with the most popular girls in her class—the Haileys—who are always throwing awesome themed sleepovers. She devises a master plan: throw her own sleepover of the century and invite them! When Tutu, her grandmother, accidentally mails Leilani’s invitations to the DO NOT INVITE list, the best sleepover in the history of the world becomes the worst. Instead of the Haileys, the only guests are the three kids Leilani definitely did not want to show up: the neighbor who never speaks, the
