This is a step-by-step process for approaching law school exams. Law school exams are very different than exams you may have taken in undergrad. Because they are different from the exams you are used to, you need a novel strategy if you want to answer the law school exam questions successfully and receive high scores on your law school exams.

How do I answer law school exam questions? (an in-depth guide)

Law is all about pre writing the skeleton of an answer, so you can write it out and just fill in the gaps in the exam. I'd be careful with his approach for tax law. The exam will ask things like: John Doe born on 31/7/58 sold his business which he bought for x on a certain date with y costs for a total of Z with a low value pool of xyz.
