The Black Revolution on Campus. A review of The Black Revolution on Campus (University of California Press, 2012) by Martha Biondi by Maurice Adkins (adkinsmu@mail.uc.edu), a PhD student in the Department of History at the University of Cincinnati. As an Associate Professor of African American Studies and History at Northwestern University, and the recipient of numerous awards for her publications on Black student organizing and education reform, Dr. Martha Biondi combines her work in ...

The Black Revolution on Campus - A: JPAS

"The Black Revolution on Campus" is the definitive account of an extraordinary but forgotten chapter of the black freedom struggle. In the late 1960s and early 1970s, Black students organized hundreds of protests that sparked a period of crackdown, negotiation, and reform that profoundly transformed college life. At stake was the very mission of higher education.

The Black revolution on campus in SearchWorks catalog

The Black Revolution on Campus effectively combines social and intellectual history, drawing on fresh case studies, interviews with former student activists, campus newspapers, unpublished manuscripts, and archival data to document the centrality of black student activism to struggles to institutionalize black studies. Biondi links these efforts to community-based institution-building efforts central to black power activism nationwide, concluding, "An unappreciated outcome of the black ...
