The Chase Of The Golden

The Chase of the Golden Meteor (French: La Chasse au météore) is a novel by Jules Verne. It was one of the last novels written by the prolific French hard science fiction pioneer. The book, however, is seen as less an early example of hard science fiction than a social satire lampooning greed, monomania and vanity.

The Chase of the Golden Meteor - Wikipedia

Xirdal, the two Virginia astronomers and their families, and representatives from many nations race to find and claim the golden meteor. The Chase of the Golden Meteor is vintage Verne, artfully blending hard science and scientific speculation with a farcical comedy of manners. This unabridged edition will be sure to delight Verne's legion of fans and attract new ones.

From my book blog www.JetBlackDragonfly.blogspot.com Jacques Futrelle was a prolific detective writer, starting in 1905 with The Problem of Cell 13 which introduced his famous detective, the logician nicknamed 'The Thinking Machine', who continued into his first novel The Chase of The Golden Plate in 1906. This is a classic mystery filled with unexpected humour - the accent on adventure rather than the clues needed for the reader to deduce the culprit themselves.

Charlie Ashanti is on the run from an amazing floating circus with six homesick beautiful Lions and an extraordinary sabre-toothed creature. Charlie has promised to help the Lions find their way home to Morocco but he has his own problems: his Mum and Dad have been kidnapped and he is determined to find them. His new friends, King Boris of Bulgaria and his security chief, Edward, have promised to help. But Charlie wonders if he was wrong to trust them when he and the Lions find themselves held virtually as prisoners in Venice. They eventually escape with the help of a friendly gondolier, and after a dangerous sea journey the Lions finally make it home and Charlie is at last reunited with his parents.

NEW YORK TIMES BESTSELLER Janet Evanovich and Lee Goldberg, bestselling authors of The Heist, return in this action-packed, exciting adventure featuring master con artist Nicolas Fox and die-hard FBI agent Kate O'Hare. And this time around, things go from hot to nuclear when government secrets are on the line. Internationally renowned thief and con artist Nicolas Fox is famous for running elaborate and daring scams. His greatest con of all: convincing the FBI to team him up with the only person who has ever caught him, and the only woman to ever capture his attention, Special Agent Kate O'Hare. Together they'll go undercover to swindle and catch the world's most wanted—and untouchable—criminals. Their newest target is Carter Grove, a former White House chief of staff and the ruthless leader of a private security agency. Grove has stolen a rare Chinese artifact from the Smithsonian, a crime that will torpedo U.S. relations with China if it ever becomes public. Nick and Kate must work under the radar—and against the clock—to devise a plan to steal the piece back. Confronting Grove's elite assassins, Nick and Kate rely on the skills of their ragtag crew, including a flamboyant actor, a Geek Squad techie, and a band of AARP-card-carrying mercenaries led by none other than Kate's dad. A daring heist and a deadly chase lead Nick and Kate from Washington, D.C., to Shanghai, from the highlands of Scotland to the underbelly of Montreal. But it'll take more than death threats, trained henchmen, sleepless nights, and the fate of a dynasty's priceless heirloom to outsmart Fox and O'Hare. BONUS: This edition includes an excerpt from Janet Evanovich and Lee Goldberg's The Job. Praise for The Chase "Fast and entertaining . . . new thrills and adventure on every page."—Examiner.com "The action never stops . . . and a humorous tone keeps everything moving at a fun clip."—Associated Press "Great fun, with plenty of twists."—The Sacramento Bee
