High school sophomore Nora has always been very cautious in her relationships, but when Patch, who has a dark side she can sense, enrolls at her school, she is mysteriously and strongly drawn to him, despite warnings from her best friend, the school counselor, and her own instincts.

After having overcome tremendous challenges to save a love that transcends the boundary between heaven and earth, Nora and Patch must face an adversary with the power to destroy all that they have worked for.

The second book in the breathtaking New York Times bestselling Hush, Hush saga, soon to be a major motion picture! Nora should have known her life wouldn't stay perfect for long. Despite starting a relationship with her bad boy guardian angel, Patch, and surviving an attempt on her life, things are not looking up. Patch is starting to pull away and Nora can't figure out if it's for her best interest or if his interest has shifted to her arch-enemy Marcie Millar. Not to mention that Nora is haunted by images of her father and starting to become obsessed with finding out what really happened to him that night he left for Portland and never came home. The farther Nora delves into the mystery of her father's death, the more she comes to question if her Nephilim blood line has something to do with it as well as why she seems to be in danger more than the average girl when she has a guardian angel. Since Patch isn't answering her questions, she has to start finding the answers on her own. But when she finds them, will she be able to count on Patch or are the things he's hiding from her darker than she can imagine?

Fates unfurl in the gripping conclusion to the New York Times bestselling Hush, Hush saga. Nora is more certain than ever that she is in love with Patch. Fallen angel or no, he is the one for her. Her heritage and destiny may mean they are fated to be enemies, but there is no turning her back on him. Now Nora and Patch must gather their strength to face one last, perilous trial. Old enemies return, new enemies are made, and a friend's ultimate betrayal threatens the peace Patch and Nora so desperately want. The battle lines are drawn—but which sides are they on? And in the end, are there some obstacles even love can't conquer?

Britt goes hiking in the Grand Tetons of Wyoming with her ex-boyfriend Calvin, but trouble arises when she is caught in a blizzard, taken hostage by fugitives, finds evidence of murders, and learns whom to trust and whom to love.

After witnessing a murder, high school senior Stella Gordon is sent to Nebraska for her own safety where she chafes at her protection, but when she meets Chet Falconer it becomes harder for her to keep her guard up, and soon she has to deal with the real threat to her life as her enemies are actually closer than she thinks.

Try as she might, Nora can't escape her dark and deep attraction to the mysterious, arrogant Patch Cipriano. But things aren't adding up - Nora is having terrifying hallucinations. Patch knows far, far too much about her. As dark, death-filled secrets are revealed, Nora begins to realize that her new-found love comes at a cost. It might just kill her.
