The Consolations of Philosophy—**Alain de Botton** by **de**...

What follows is a summary of the philosophers, the problems and the consolations offered. These are not the easy consolations of religion or psychology, telling us that everything will work out in the end or that we can be cured of our anxieties, these are the consolations of philosophy. Easy consolations are cruel lies as Nietzsche tells us.

Max Richter—The Consolations of Philosophy—**YouTube**

Boethius' Consolation of Philosophy is without a doubt my favourite philosophy book written and answers many of lives questions about what we're really wanting from it (although usually an Aristotelian theme). Boethius starts from a state of pure distress and arrives finally to complete tranquillity through dialogue, debate, reason and poetry.

In seeking to return philosophy to the masses and demonstrate it's relevance to everyday life he takes six of life's dark areas and finds a philosophically-based "consolation" for each. It's an interesting approach, one de Botton compliments and flavors with his own delicate and understated humorous prose.

The Consolations of Philosophy **By Alain de Botton** | **Used**...

Boethius and The Consolation of Philosophy For some 400 years across the European Middle Ages, one philosophy book was prized above any other. Present in every educated person ' s library, it was titled in Latin De Consolatione Philosophiae or, as we know it in English today, The Consolation of Philosophy.

From the author of How Proud Can Change Your Life, a delightful, truly consoling work that proves that philosophy can be a supreme source of help for our most painful everyday problems. Perhaps only Alain de Botton could uncover practical wisdom in the writings of some of the greatest thinkers of all time. But uncover he does, and the result is an unexpected book of both solace and humor. Dividing his work into six sections -- each highlighting a different psychic ailment and the appropriate philosopher -- de Botton offers consolation for unpopularity from Socrates, for not having enough money from Epicurus, for frustration from Seneca, for inadequacy from Montaigne, and for a broken heart from Schopenhauer (the darkest of thinkers and yet, paradoxically, the most cheering). Consolation for envy -- and, of course, the final word on consolation -- comes from Nietzsche: "Not everything which makes us feel better is good for us." This wonderfully engaging book will, however, make us feel better in a good way, with equal measures of wit and wisdom.

"Witty, thoughtful, entertaining ... a stylish book, which manages to make philosophy both enjoyable and relevant, at the same time providing a very sensible digest of consolations for many of our current psychological ills" Anthony Clare, LiteraryReview

THE SUNDAY TIMES NUMBER ONE BESTSELLER One of the most influential voices in modern philosophy - the author of The Course of Love, Religion for Atheists, The Art of Travel and The School of Life Alain de Botton presents a one-stop shop for solving the problems of everyday life through the wisdom of history's great philosophers 'Singlehandedly, de Botton has taken philosophy back to its simplest and most important purpose: helping us live our lives' Independent 'Few discussions on the great philosophers can have been so entertaining... An ingenious, imaginative book' The Sunday Times 'Witty, thoughtful, entertaining... It manages to make philosophy both enjoyable and relevant' Anthony Clare, Literary Review 'No doubt about it, philosophy is the new rock and roll and Alain de Botton is its Colonel Tom Parker... A pleasure to read. And good writing, like good philosophy, is always a consolation' John Barville, Irish Times Alain de Botton has set six of the finest minds in the history of philosophy to work on the problems of everyday life. Find out what Socrates, Epicurus, Seneca, Montaigne, Schopenhauer and Nietzsche would say about the things that bother us all the most: lack of money, the pain of love, inadequacy, anxiety, the fear of failure and the pressure to conform.

Boethius' best-known work is the "Consolations of Philosophy" written during his imprisonment -- "by far the most interesting example of prison literature the world has ever seen." It is a dialogue between Philosophy and Boethius, in which the Queen of Sciences strives to console the fallen statesman. The main argument of the discourse is the transitoriness and unreality of all earthly greatness and the superior desirability of the things of the mind. There are evident traces of the influence of the Neo-Platonists, especially of Proclus, and little, if anything, that can be said to reflect Christian influences.

Written in the 6th century, The Consolation of Philosophy is the best-known--and most profound--work of the Christian theologian and philosopher St. Boethius. He composed this great work while he was unjustly imprisoned, directly before his unlawful execution. Consequently, The Consolation--which takes the form of a dialogue between Boethius and 'Lady Philosophy"--discuses a variety of important and weighty issues including ethics, the nature of God, God's relationship to the world, the problem of evil, and the true nature of happiness. In particular, an often-emphasized and key theme throughout the book is the importance of both loving God and developing virtue. Because it is written in dialogue form, the literary qualities of the book are somewhat 'light,' which contrasts with the occasionally weighty topics it discusses. The Consolation of Philosophy was enormously influential on medieval and renaissance Christianity--statesmen, poets, historians, philosophers, and theologians all read and studied it extensively. Moreover, it remains even today an important and instructive book. Both compelling and illuminating, The Consolation of Philosophy is profitable for all readers and comes highly recommended. -- Description from http://www.ccel.org/ccel/boethius/consolation.html (April 18, 2012).

The circumstances of composition, the heroic demeanour of the author, and the 'Menippean' texture of part prose, part verse (Boethius was a considerable poet) have combined to exercise a fascination over students of philosophy and literature ever since. The book should therefore prove to be of value to students and scholars of classics, philosophy, and religion as well as to more general readers.

Presents the Roman philosophical and religious scholar's dialogue on the nature of man and his relationship to God and the universe.

For those who don ' t believe in an afterlife, the wisdom of the ages offers four great consolations for mortality: that death is benign and good; that mortal life provides its own kind of immortality; that true immortality would be awful; and that we experience the kinds of losses in life that we will eventually face in death. Can any of these consolations honestly reconcile us to our inevitable demise? In this timely book, Andrew Stark tests the psychological truth of these consolations and searches our collective literary, philosophical, and cultural traditions for answers to the question of how we, in the twenty-first century, might accept our mortal condition. Ranging from Epicurus and Heidegger to bucket lists, the flaming out of rock stars, and the retiring of sports jerseys, Stark ' s poignant and learned exploration shows how these consolations, taken together, reveal death as a blessing no matter how much we may love life.

Accused by a former girlfriend of being unable to empathize, the narrator decides to write about the next person who walks into his life, Isabel Rogers
