The Film Photography Handbook Rediscovering

Interest in film photography has also grown enormously among those who only have
experience shooting digitally. In The Film Photography Handbook, authors Chris Marquardt
and Monika Andrae speak to both kinds of film photographer as they offer an easy-to-
understand, complete resource to shooting film. They also address today's working climate,
including such topics as the hybrid film/digital workflow, the digitization of negatives, and
working with smartphones for light metering and to assist ...
