'The Girl Of Ink & Stars' blew me away mostly because of Hargrave's amazing writing. The story flowed so beautifully and it sucked me into such a gorgeously built world that I couldn't ignore: fire demons, myths about brave heroines, monstrous wolves and beautiful cartography (seriously the design of the book and inclusion of maps were BEAUTIFUL).

A daring, determined revolutionary thinks she could be his people's savior, and he looks at her in a way that no man has ever looked at her before.
