Girl Guides is a movement found worldwide, which was originally and still largely designed for girls and women only. This organization was introduced in 1909, because girls demanded to take part in the then grassroots Boy Scout Movement. In different places around the world, the movement developed in diverse ways. In some places, girls joined or attempted to join Scouting organizations. In other places, all girl groups

Most girls start their periods when they're about 12, but they can start as early as 8, so it's important to talk to girls from an early age to make sure they're prepared before the big day. Many parents feel awkward talking about periods, especially with pre-teen girls, who can seem to get easily embarrassed.
