American ingenuity: Why the U.S. has the best hackers The United States is No. 1 at hacking, mainly because we're always pushing the limits of what can be done.

American ingenuity: Why the U.S. has the best hackers

Nothing is more singularly significant in American government than the ritual of voting; if the electorate were to lose confidence in the integrity of our elections, it would be a tragedy. Yet, since allegations of hacking and manipulation surfaced during the 2016 election, just how much value a vote has in our system has been in doubt.

Hacking American Elections: Why We're Vulnerable and How

The Great Hack is a 2019 documentary film about the Facebook–Cambridge Analytica data scandal, produced and directed by Jehane Noujaim and Karim Amer, both previous documentary Academy Award nominees. The film's music was composed by Emmy-nominated film composer Gil Talmi. The Great Hack premiered at the 2019 Sundance Film Festival in the Documentary Premieres section and was released by Netflix on July 24, 2019. The documentary focuses on Professor David Carroll of Parsons and The New ...
