1. Iron Gate to Eagle Rock: This is a 14 mile trip that starts at the Iron Gate boat launch below Route 220, just a mile below the confluence of the Jackson and Cowpasture River (aka the start of the James River!). It's a beautiful stretch that is surrounded by mountains, rocky bluffs, and contains Class I and II rapids.

~~on the James River~~

The Iron Gates of the Danube River originally consisted of four narrow gorges and three wide basins spread over several miles of the river dividing Romania and Serbia. The term "Iron Gate" was first used by The Times of London in 1853 and while some consider the entire 83-mile stretch of the river to be the Iron Gates, most define it as only the section with the four narrow gorges.
