The greatest leaders and geniuses in history were mischief makers. They were the brave women who looked at how unfair the world was and said, "I can do better than that." They were the stalwart men who saw stupidity and asked, "Why do we have to do it that way?" And they were the delightful children who ganged up on the neighborhood bully and hit him with wet noodles until he said, "Uncle!" Yes, history's mischief makers had the courage to point out that things like slavery, global warming, and turtleneck sweaters are bad. And they also pulled off some of the greatest hoaxes and practical jokes of all time. Their achievements include the Boston Tea Party, the "War of the Worlds" radio broadcast of 1938, and the Cheese Whiz Disaster of 2008. In honor of them, we introduce The Pocket Guide to Mischief, the perfect addition to any prankster's collection, as well as a fun-filled how-to for the budding troublemaker in all of us.

For ease of use Arnold follows the actual numbering system of articles, sections, and clauses in the Constitution. The book includes two tables of contents--one brief and one detailed--as well as a bibliography and a short conclusion by Arnold on the enduring significance of the Constitution.

Action is the surest path not only to reaching goals, but to finding the kind of meaning and purpose we desire. It is a kind of back door to the promises of so many philosophies and religions. When we are action-oriented, we forget to notice the missing pieces of our modern world: anomie fades away, change doesn't seem so wildly fast, the news becomes white noise. This book provides insights on how to take action more.

The masters of brilliance include presidential candidate George Wallace, who released chickens into a crowd in order to spur on a debate; the first female journalist, Anne Newport Royall, who forced an interview with John Quincy Adams after catching him skinny dipping; and Benjamin Franklin, who of course coined the phrase "A penny saved is a penny earned," but also offered the lesser known "A man who lives on hope, dies farting."
