Rule of Three review 1: I had to read this book for my book club, and did not like it at all. The characters are under developed, and the only one who is somewhat developed is not even the main character. From the beginning, everything was set up to go his way, and he seems to be absolutely flawless, which is highly unrealistic.

The Rule Of Three. A person can last 3 minutes without air, 3 days without water, 3 weeks without food. A community begins to die in just seconds. One shocking afternoon, computers around the globe shut down in a viral catastrophe. At sixteen-year-old Adam Daley's high school, the problems at first seems to be a typical electrical outage, until the students discover the cell phones are down, municipal utilities are failing, and the only vehicles that function are a few ancient computer ...

In Eric Walters' The Rule of Three, suburban America gets a makeover it never asked for. When Adam's school releases the students after a power failure, he hops into his old jalopy to pick up his kid brother and sister. It starts right up (which is a miracle), but as he scans around the parking lot, he sees a lot of cars that won't start.

The Rule of Three: Will to Survive by Eric Walters. Adam has killed again. It had to be done, part of him knows that, but murder changes a person. it can certainly change a teenager who's already grown up too quickly, too harshly, in the wake of the catastrophic global blackout five months ago. In the name of safety and survival, Adam and his neighbours have turned their middle American suburban neighbourhood into a fortress, defending against countless enemies.
