*The Two-Party System Broke the Constitution -
The Atlantic*

The two-party system came into being because the structure of U.S. elections, with one seat tied to a geographic district, tends to lead to dominance by two major political parties. Even when there are other options on the ballot, most voters understand that minor parties have no real chance of winning even a single office.

The Two-Party System | American Government

The political parties of the 1790s emerged because of disagreements over three main issues: the nature of government, the economy and foreign policy. By understanding these disagreements we can begin to understand the conditions that allowed for the origin of the two-party system in the United States.

Two-party system - Wikipedia

The two-party system is supposed to grant more stability because the winning party can have the majority in the parliament and govern without forming coalitions as in multi-party systems. How did the two-party-system start? Originally, when the American Constitution was written, there was no intent to have parties at all.
