The Spear ' s Wealth Management Index 2020. 14th  
July 2020 by Arun Kakar. The world has changed for everyone in the past six months, and the wealth managers in our index recognise that the old ways of investing will never return. Cast your mind back to the heady days of Q4 2019. Equities are in the ascendancy, optimism is growing over a trade deal between the US and China, and UK markets are buoyed by the increased certainty presented by a landslide Tory general election win after months of ...
