5.0 out of 5 stars Wildest Colts Make the Best Horses. Reviewed in the United States on June 13, 2008. This book just made sense to me in so many ways. One of the best quotes from this book is: "see your children through the eyes of delight." I thought that was so great. They are our children, not adults.

The Wildest Colts Make the Best Horses. This is the 3rd edition of John's classic work in defense of the development of spirited young people. Includes a new preface and two new chapters. Order from Chipmunka Publishing or from Amazon.com. Comments: I can't tell you how long I've waited for someone like you.

DescriptionWhat to do when your child is labelled a problem by the schools. The truth about Ritalin, ADHD and other 'disruptive behavioral disorders'.In this revised and expanded Chipmunka edition, John Breeding sends out a powerful message and strong support for adults who want to encourage the spirited development of our children. The book calls for a halt to the epidemic drugging of young people for so-called ADHD and other alleged mental illnesses. This book shows us how to counsel our children and insists we must not forsake the great gift of viewing them with the 'eyes of delight!' John is a clear, strong advocate for young people and a great ally to parents wanting support to repond to their children in a positive way.About the AuthorJohn Breeding PhD is a counselling psychologist from Austin, Texas USA. John is director of 'Texans For Safe Education', a citizen's group dedicated to challenging the ever-increasing role of psychiatry, especially psychiatric drugs, in schools. He is also active on other challenges of psychiatric oppression, and is a steering committee member of the Coalition for the Abolition of Electroshock in Texas (CAEST), whose website is www.endofshock.com . His personal website, www.wildestcolts.com, is a great resource on parenting, psychology and psychiatry.Dr. Breeding obtained his doctorate in School Psychology from the University of Texas. Peyton Manning grew up surrounded by football. So it's no wonder that Peyton has become one of the best quarterbacks in the NFL. In *Peyton Manning and the Indianapolis Colts: Super Bowl XLI*, readers will follow Peyton's journey from a kid throwing the football around with his brothers to his amazing Super Bowl XLI win with the Indianapolis Colts. Large, full-color photographs and engaging narrative text will keep readers on the edge of their seats as they cheer on Peyton and the Colts.

Rhyming text shares a wild colt's days following the herd through the wetlands of Assateague Island.

Revealing the most critical moments and important facts about Colts football, *100 Things Colts Fans Should Know & Do Before They Die* discusses past and present players, coaches, and teams through the years. Throughout the pages, readers will find pep talks, records, and Indianapolis NFL lore to test their knowledge, including details on the team's 2012 season that encompassed a return to the playoffs, quarterback Andrew Luck's success, and head coach Chuck Pagano's battle with leukemia; highlights of Manning's record-setting career in Indianapolis; and profiles of unforgettable Colts personalities such as Ted Marchibroda, Bill Polian, and Bob Lamey. Die-hard fans from the early days of Eric Dickerson and Jim Harbaugh as well as new supporters will cherish this book of everything Colts fans should know, see, and do in their lifetime.

From his earliest days on the field, quarterback Andrew Luck's incredible skills and quick thinking have set him on a path to becoming a champion player. After graduating from Stanford University, Andrew was chosen by the Indianapolis Colts as the very first pick of the 2012 NFL draft. During his rookie season, he ran, passed, and handed off the football for a total gain of 4,374 yards (4,000 m). This was more than any other rookie quarterback in NFL history! Since then, Andrew has continued to dazzle fans, never missing an opportunity to help his team score the winning touchdown. In *Andrew Luck*, young readers get a close-up view of the quarterback's inspiring journey from his childhood, through his college years at Stanford University, all the way to NFL stardom. Large, full-color photos paired with engaging, simple text will keep sports fans on the edge of their seats as they cheer on Andrew through his amazing career.

Nobody could capture the Phantom. She was the wildest mare on Assateague Island. They said she was like the wind, that the white "map" on her shoulders was her mark of freedom. Paul and Maureen Beebe had their hearts set on owning her. They were itching to buy and tame her, and worked hard to earn the money that she would cost. But the roundup men had tried to capture her and for two years she had escaped them.... Pony Penning Day holds a surprise for everyone, for Paul not only brings in the Phantom, but her newborn colt as well. Can Paul and Maureen possibly earn enough to buy them both?

A "gripping," (Booklist) "clear-eyed, and honest" (The New York Times Book Review) biography of Samuel Colt—the inventor of the legendary Colt revolver (a.k.a. six-shooter)—which changed the US forever, triggering the industrial revolution and the settlement of the American West. Patented in 1836, the Colt pistol with its revolving cylinder was the first practical firearm that could shoot more than one bullet without reloading. For many reasons, Colt's gun had a profound effect on American history. Its most immediate impact was on the expansionism of the American west, where white emigrants and US soldiers came to depend on it, and where Native Americans came to dread it. The six-shooter became the iconic weapon of gun-slingers, outlaws, and cowboys—some willing to pay \$500 out west for a gun that sold for \$25 back east. In making the revolver, Colt also changed American manufacturing—his factory revolutionized industry in the United States. Ultimately, Colt and his gun-making brought together the two most significant forces of change before the Civil War—the industrial revolution in the east, Manifest Destiny in the west. "Written with a journalist's sense of color and a historian's eye for the revealing detail" (The Wall Street Journal), *Revolver* brings the brazenly ambitious and profoundly innovative industrialist and leader Samuel Colt to vivid life. In the space of his forty-seven years, he seemingly lived five lives: he traveled, womanized, drank prodigiously, smuggled guns to Russia, bribed politicians, and supplied the Union Army with the guns they needed to win the Civil War. Colt lived during an age of promise and progress, but also of slavery, corruption, and unbridled greed, and he not only helped to create this America, he completely embodied it. By the time he died in 1862 in Hartford, Connecticut, he was one of the most famous men in nation, and one of the richest. "Offering a panoramic view of American culture during Colt's life" (LA Review of Books) *Revolver* is a "rollicking and informative account [that] will delight American history buffs" (Publishers Weekly).
