Israelite wisdom, literature, David Penchansky argues, records the disputes of ancient sages over basic human questions: What is the purpose of life? Is God just? Why do we suffer? Does God even exist? Penchansky sees conflicting answers to these questions in Proverbs, Job, Ecclesiastes, Ben Sira, and the Wisdom of Solomon -- and does not try to harmonize them. Instead, he finds meaning in the very dissonance and contradiction within these texts. The Wisdom of the Torah concentrates on the Hebrew Bible as a book of philosophy and literature and offers some of its most powerful and poetic passages, including “ The Poems of King David, ” “ The Parables of King Solomon, ” and “ The Love Songs of King Solomon. ” In these works, readers find many lyrical and timeless reflections on what it means to have faith and to be a member of the human race. This ebook features a new introduction, image gallery, timeline of the Torah and Judaic history, and index of the Books of the Torah.
