Too Far To Walk by Forrest Fenn - Goodreads

Whats also interesting, and pure speculation, is Forrest ' s comment that anything over 10 miles is too far too walk. Was that his way of telling us that 5 miles in and 5 miles back out is as far as one needs to go. I just find it strange that my father in law walks 12 yet I would bet Forrest was in better shape than him at 72.

Not far but too far to walk...: FindingFennsGold

It does seem to fit Forrest, as he claims to have walked over 90 miles in one day, and makes a point of how he's still good at walking even with his age and battle wear. Perhaps this just means, then, that the distance needed to travel down the canyon for the second stanza to work is zero, or that the home of Brown is immediately adjacent.
