Around half of Shakespeare 's plays are tragedies in the most basic sense of the word, with the death of their central character or characters. The Introduction explains that just as Shakespeare 's comedies often verge on tragedy, so his tragedies frequently offer a wittily ironic perspective on the action. This suggests that when Shakespeare set about looking for a story to dramatize he was more concerned to find one that offered possibilities for a variety of dramatic effects than for ...

Abstract. Tragedy is full of ghosts. Ghosts in tragedy are invariably associated with judgement and retributive justice. 'The living dead ' looks at why there are so many ghosts in tales of tragedy. A ghost unnerves, perhaps because it resembles the living. A ghost confuses us because it crosses over the divide between the living and the dead.
