This book was a little unfocused. It

seemed to touch on every topic and
yet not really say anything. To sum it
up, "God loves you, so you should live
your life feeling loved. If you don't feel
loved, that's a problem. The solution?
Know that God loves you." Which isn't
wrong - it's just incredibly simplistic
and not overly helpful.

Living loved is what I've always been about. Living loved means living your life knowing that you are loved by the Father and reflecting that love on His people. I recently, and by recently I mean earlier this year, finished Uninvited by Lysa TerKeurst. First of all, WOW! Second, I might do it again.
