Sadly, Rhonda Patzia, author of Mindfully Unraveling: Body Awareness as I Slip Away, died the day her books became available. This fact makes the reading of the book more poignant, but does not take away from the brave, surreal, frank, open, sexual, aware narrative that she weaves as she tells her story.

*Understanding Psychology 10th Edition (PDF, EPUB EBOOK)*

Molly Brown: Unraveling the Myth. Kristen Iversen's 1990 volume won the Colorado Book Award for Biography, and a 2010 updated edition was just published. The 304 page paperback is a quick read, and even if you don't know Next month I'm going to be at a teacher workshop in Denver.

Like The Forest of Hands and Teeth, Elizabeth Norris's Unraveling blends realistic coming-of-age issues with a gripping science fiction world. Unraveling's heroine, sixteen-year-old Janelle Tenner, is used to having a lot of responsibility. She balances working as a lifeguard in San Diego with an intense academic schedule. Janelle's mother is bipolar, and her dad is a workaholic FBI agent, which means Janelle also has to look out for her younger brother, Jared. And that was before she died...and is brought back to life by Ben Michaels, a mysterious, alluring loner from her high school. When she discovers a strange clock that seems to be counting down to the earth's destruction, Janelle learns she has twenty-four days to figure out how to stop the clock and save the planet.

"Searing, searching, finally scorching. Think Making a Murderer via Patricia Highsmith: an elegant kaleidoscope novel that refines and combines multiple perspectives until its subject is brought into indelible, tragic focus." —A. J. Finn, #1 New York Times bestselling author of The Woman in the Window "Pitch-black and superbly written." —Ruth Ware, New York Times bestselling author of The Woman in Cabin 10 "Top-notch grip lit...incredibly brilliant." —Marian Keyes, New York Times bestselling author Oliver Ryan has the perfect life. Elegant and seductive, he wants for nothing, sharing a lovely home with his steadfast wife, Alice, who illustrates the award-winning children's books that have brought him wealth and fame. Until one evening, after eating the dinner Alice has carefully prepared, Oliver savagely assaults her and leaves her for dead. But why? The people who know Oliver can only speculate about the reasons behind his brutal act: his empty-headed mistress Moya, vain and petulant; Veronique, the French chateleine who tragically lost everything the summer she employed him in her vineyard; Alice's friend Barney, who has nursed an unrequited love for her since childhood; Oliver's college pal Michael, struggling with voiceless longings that have shamed him for years. What none of them understands is the dark secret that lies behind his immaculate façade. The revelations that come to light as the layers of Oliver's past are peeled away are as brutal as his singular act of violence. His decades of careful deception have masked a life irrevocably marked by abandonment, envy, and shame—and as the details of that life are laid bare, Oliver discovers that outrunning his demons is harder than it looks. With its insight into the mind of a psychopath emerging from the wreckage of his own misbegotten past, Unraveling Oliver is a chilling page-turner, brilliantly crafted and unexpectedly moving, by a stunning new voice in fiction. Liz Nugent "presents a fresh look at a man hiding his violent personality in this intense character study" (Publishers Weekly, starred review). As powerful as Patricia Highsmith's unforgettable noir classic, The Talented Mr. Ripley, Unraveling Oliver will enthrall you from its mesmerizing opening line to its equally shocking last page.

"The Unraveling of Cassidy Holmes is a page-turning peek inside the glamour and brutality of life as a pop star. Sloan takes us on a wild ride through the world of music video shoots, expensive hotels, and arena tours—showing us the darkness that threatens just below the surface." —Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones and The Six "I didn't know I was waiting for a smart, literary writer to craft a novel about the rise and fall of a teen star akin to Britney Spears until I discovered The Unraveling of Cassidy Holmes. A witty, bright, hilarious—and at times devastating—read. I loved it." —Amanda Eyre Ward, New York Times bestselling author of The Jetsetters Cassidy Holmes isn't just a celebrity. She is "Sassy Gloss," the fourth member of the hottest pop group America has ever seen. Hotter than Britney dancing with a snake, hotter than Christina getting dirty, Gloss was the pop act that everyone idolized. Fans couldn't get enough of them, their music, and the drama that followed them like moths to a flame—until the group's sudden implosion in 2002. And at the center of it all was Sassy Cassy, the Texan with a signature smirk that had everyone falling for her. But now she's dead. Suicide. The world is reeling from this unexpected news, but no one is more shocked than the three remaining Glossies. Fifteen years ago, Rose, Merry, and Yumi had been the closest to Cassidy, and this loss is hitting them hard. Before the group split, they each had a special bond with Cassidy—truths they told, secrets they shared. But after years apart, each of them is wondering: what could they have done? Told in multiple perspectives—including Cassidy herself—and different timelines, this is a behind-the-scenes look into the rise and fall of a pop icon, and a penetrating examination of the dark side of celebrity and the industry that profits from it.

A newborn's absent face appears on the back of someone else's head, a filmmaker goes to gruesome lengths to achieve the silence he's after for his final scene, and a therapist begins, impossibly, to appear in a troubled patient's room late at night. In these stories of doubt, delusion, and paranoia, no belief, no claim to objectivity, is immune to the distortions of human perception. Here, self-deception is a means of justifying our most inhuman impulses—whether we know it or not.

Winner of the 2016 Alex Award Best Book of 2015 —Kansas City Star In this intricate novel of psychological suspense, a fatal discovery near the high school ignites a witch-hunt in a Southeast Texas refinery town, unearthing communal and family secrets that threaten the lives of the town's girls. In Port Sabine, the air is thick with oil, superstition reigns, and dreams hang on making a winning play. All eyes are on Mercy Louis, the star of the championship girls' basketball team. Mercy seems destined for greatness, but the road out of town is riddled with obstacles. There is her grandmother, Evelia, a strict evangelical who has visions of an imminent Rapture and sees herself as the keeper of Mercy's virtue. There are the cryptic letters from Charmaine, the mother who abandoned Mercy at birth. And then there's Travis, the boy who shakes the foundation of her faith. At the periphery of Mercy's world floats team manager Illa Stark, a lonely wallflower whose days are spent caring for a depressed mother crippled in a refinery accident. Like the rest of the town, Illa is spellbound by Mercy's beauty and talent, but a note discovered in Mercy's gym locker reveals that her life may not be as perfect as it appears. The last day of school brings the disturbing discovery, and as summer unfolds and the police investigate, every girl becomes a suspect. When Mercy collapses on the opening night of the season, Evelia prophesies that she is only the first to fall, and soon, other girls are afflicted by the mysterious condition, sending the town into a tailspin, and bringing Illa and Mercy together in an unexpected way. Evocative and unsettling, The Unraveling of Mercy Louis charts the downfall of one town's golden girl while exploring the brutality and anxieties of girlhood in America.

"A sequel that outshines its already brilliant predecessor." —Nadine Brandes, award-winning author of the Out of Time trilogy What happens when happily ever after starts to unravel? Eliyana Ember doesn't believe in true love. Not anymore. After defeating her grandfather and saving the Second Reflection, El only trusts what's right in front of her. The tangible. The real. Not some unexplained Kiss of Infinity she once shared with the ghost of a boy she's trying to forget. She has more important things to worry about—like becoming queen of the Second Reflection, a role she is so not prepared to fill. Now that the Verity is intertwined with her soul and Joshua's finally by her side, El is ready to learn more about her mysterious birth land, the land she now rules. So why does she feel like something—or someone—is missing? When the thresholds begin to drain and the Callings, those powerful magical gifts, begin to fail, El wonders if her link to Ky Rhyen may have something to do with it. For light and darkness cannot coexist. She needs answers before the Callings disappear altogether. Can El find a way to sever her connection to Ky and save the Reflections—and keep herself from falling for him in the process?

In the distant future, somewhere in the galaxy, a world has evolved where each person has multiple bodies, cybernetics has abolished privacy, and individual and family success are reliant upon instantaneous evaluations of how well each member conforms to the rigid social system. Young Fift is an only child of the Staid gender, struggling to maintain zir position in the system while developing a friendship with the acclaimed bioengineer Shria—a controversial and intriguing friendship, since Shria is Vail-gendered. Soon Fift and Shria unintentionally wind up at the center of a scandalous art spectacle which turns into a multilayered Unraveling of society. Fift is torn between zir attraction to Shria and the safety of zir family, between staying true to zir feelings and social compliance . . . when zir personal crises suddenly take on global significance. What's a young Staid to do when the whole world is watching?

"Committed to a psych ward against her will, Naomi Carradine knows there's been a huge mistake. But it's no use explaining the shocking and sensational events leading up to her confinement. When she tells others what she has witnessed, no one believes her, or remotely understands the extreme highs and lows she's experienced. Even her childhood sweetheart Lachlan seems to think Naomi is losing her mind and begins to pull away. With everyone convinced she's insane, and finding herself haunted by demons both real and imagined, Naomi starts to worry they may be right. With the help of a sensitive new psychiatrist, Naomi must face a traumatic past that may have fractured her reality ... and discover that even the purest of souls have darkness in them"—

From the New York Times bestselling author of Six Crimson Cranes comes a fantasy filled with courtly intrigue, deceitful demons, and breathtaking gowns ... the stakes are higher than ever in this thrilling sequel to Spin the Dawn! Maia Tamarin's journey to sew the dresses of the sun, the moon, and the stars has taken a grievous toll. She returns to a kingdom on the brink of war. Edan, the boy she loves, is gone--perhaps forever--and no sooner does she set foot in the Autumn Palace than she is forced to don the dress of the sun and assume the place of the emperor's bride-to-be to keep the peace. When the emperor's rivals learn of her deception, there is hell to pay, but the war raging around Maia is nothing compared to the battle within. Ever since she was touched by the demon Bandur, she has been changing . . . glancing in the mirror to see her own eyes glowing red; losing control of her magic, her body, her mind. It's only a matter of time before Maia loses herself completely, and in the meantime she will stop at nothing to find Edan, protect her family, and bring lasting peace to her country.

Living happily ever after isn't reserved for fairy tales or the afterlife. It's for us--today! God wants us to live abundant, productive, and happy lives. Yet, it's not always easy when we live in an imperfect, sin-ravaged world. How is happily ever after possible? In this 10-session study, you'll learn God's how-to answers. Each story highlights a common problem hindering our happiness. Through Bible stories, spiritual principles and insights, and personal examples, Unraveling Fairy Tales will guide you down the path to everlasting happiness. A few examples include: Cinderella—learn to embrace your identity as God's beloved daughter Rapunzel—allow God to rescue you from loneliness and feeling trapped Princess and the PEA—gain godly Perspective, Expectations, and Attitude Chicken Little—become better at discerning truth so you're not led astray Each chapter provides five daily readings to use as a weekly devotional or group study. At the end of each day, you'll find questions or truths to ponder to help you connect with God intimately. Also, each chapter contains questions at the end for reflection or group discussion. Unraveling Fairy Tales invites you on a journey to experience God's audacious, indescribable, irresistible, and unconditional love. Once you do, you'll fall madly in love and give yourself completely to him. Isn't that what happily ever after is all about: spending your life with the One you love? The One who completes you? Get ready to be swept off your feet!
